FINANCIAL AID PROGRAMS

For those students who qualify the school participates in Federal Pell Grant and William D Ford "Direct Loan Program" Subsidized, Unsubsidized and Plus loans. Subsidized loans are need based; based on the school's COA and the Student's EFC a determination is made concerning need or lack thereof. Unsubsidized loans are not need based. School personnel counsel each student carefully as a means of enabling students to minimize the amount of debt incurred while attending school. The Pell Grant is a grant to those who qualify (qualification is based on family earnings) and does not have to be repaid except in cases where a student fails to complete a specified percentage of the pay period of which they are currently attending. In cases where a student withdraws before completing 60% of the specified pay period, a portion of the grant becomes the student's liability and as such may create a greater liability on the student in terms of balance owed the school. Our Student Services Facilitators work with students in determining loan amount need(s) and loans must be certified by school's Financial Planning Office. The school certifies loans only in amounts to cover the cost of the student's Agreement. All student loans are binding Agreements between the student and the U S Department of Education and as such must be repaid. Failure to repay student loans by student's and or parents (Plus Loan) to the U S Department of Education as scheduled on the promissory note will have adverse effects on if the individuals credit history. Students are apprised of expected federal funds for a specified award on or before the first day of class based on financial and or other pertinent information the student provides to the school when filing or verifying FAFSA information. Federal funds are disbursed in payment periods. Disbursement of federal funds is contingent on the students being in satisfactory progress at the scheduled disbursement date. Failure to maintain satisfactory progress as defined in the school's satisfactory progress policy will cause a student's federal funds to be withdrawn.

PRIVATE TUITION SCHEDULE

\$12.50 an hour for Cosmetology 1600 hours = \$20,000

\$12.50 an hour for Barbering 1500 hours = \$18,750

\$ 6.00 an hour for Manicuring/Nail Care 400 hours = \$2,400

PAYMENT METHODOLOGY

Perspective students, prior to beginning school, will meet with our Financial Planning Department to establish a financial plan to meet the costs associated with their scheduled course. Our team in Financial Planning will determine, through reviewing the resources available to the student and possibly their family, as well as what forms of financial aid they may wish to apply and be eligible. As a result of our financial planning process, with the timely and accurate submissions of forms with our support, students will be able to develop a financial plan to meet their educational goals. The student's plan may include a variety of options depending on the approved plan developed with the student and Salon Success Academy including the following:

Payment Options (may vary as a result of the student financial planning process)

1. Full payment prior to beginning school.
2. Third Party financing agreement between the Student and third party.
3. Students will pay a partial amount before classes begin, and will make monthly payments according to the Payment Plan in each month. Late payments are subject to a 15% late fee charge.
4. Federal Student Aid to pay student tuition, and if needed private payments (cash, credit card, money order or check) to pay the full cost of the course.

METHODS OF PAYMENT ACCEPTED

Salon Success Academy accepts as forms of payment cash, check, credit card, money order, and/or Title IV funding.

ATTENDANCE & TARDY POLICY

Future employers will not tolerate absences and Salon Success Academy strives to prepare students for a successful career in which attendance is a critical component. Additionally, if a student is excessively absent he/she will not be able to master the course content and develop the knowledge and skills to succeed in a beauty career.

The course is measured by actual clocked hours and excused and unexcused absences have a negative effect on a student's Attendance Rate.

The following attendance regulations are in effect at Salon Success Academy.

Salon Success Academy will open the doors by 8:30 am; however, the grace period will be extended until 8:35 am.

1. Day students can clock in any time between 8:25 – 8:35, but once you are clocked in, you cannot leave the building. Doing so will result in a loss of hours until 9:30 which is the next allowed clock in time. Your time begins when you clock in
2. Day student theory will begin sharply at 8:30. All students must be in class at this time. Leaving theory class is not allowed. Students who leave theory will not receive clock in time until 9:30 and may be subject to suspension. Evening students will receive their theory schedule the first regular day of class.
3. Day students arriving between 8:36 am – 9:25 am must report to the designated area and sign in. The student will be given an assignment, either study or written, to work on in the designated area until 9:30. If the student does not report to and remain in the designated area and sign in they cannot clock in until 9:30.
4. Day students will not be allowed to clock in later than 9:35 on weekdays or 8:35 on a Saturday unless they have documentation that is approved by the Campus Director.
5. Day students will begin taking clients promptly at 9:35 when theory is over and 8:35 on Saturdays. Students may only take breaks at the discretion of their Instructor or Campus Director. Lunch breaks are 30 minutes only. Students may be written up, suspended or possibly terminated from the program for taking breaks without permission, taking excessive breaks or longer than approved lunch or other breaks.
6. Students who are enrolled in evening school will also have a 5 minute grace period. They will be considered late at 6 minutes after their scheduled time to be at school.
7. Students will not be allowed to clock in more than 1 hour late on any day they come in late unless they have a doctor's note or other type of legitimate, verifiable documentation. The note must have the date and time on

it. It must be reviewed by the campus director for acceptability. If it is deemed unacceptable for any reason, no hours will be given on that day.

8. Students who are late and miss theory will be required to make up all missed assignments and exams in a timely manner. Falling behind on theory will lead to low GPA and possible loss of financial aid funding due to probationary status.
9. Students who are habitually late will be counseled and expected to correct their tardiness. Those who do not make the appropriate corrections to get to school on time may be subject to overage fees due to low attendance percentage and/suspension or termination from the program.
10. Saturday attendance is not only a mandatory part of your training, but will also be a vital part of your success when you begin working in the industry. Students who are absent on Saturday or attend less than 100% of their scheduled hours on that day without proper documentation or campus director approval will be counseled and expected to correct their absenteeism on Saturday(s). Those who do not make the appropriate corrections to their Saturday attendance may be subject to overage fees due to low attendance percentage and/or suspension or termination from the program. Un-approved Saturday absences cannot be made up in Lab or by externing.
11. Students may, under unusual circumstances and with prior written permission from the Campus Director, have an excused absence on Saturday if the circumstances relate to a medical, legal, military, bereavement or direct (blood-line or spouse) family related emergency. Under a documented medical emergency the pre-approval requirement may be accepted. While this circumstance may be an approved absence the academic and attendance requirements must be made-up. Students incurring a Saturday absence under this type of documented circumstance may be allowed to make up the time at lab and will not be subject to suspension for the occurrence.

Students who miss fourteen (14) calendar days, without being on an approved leave of absence, should contact the school to make arrangement to return. If no arrangements are made, the student may be withdrawn. Students who continually miss 2 days or more of school, only to come back for a few days and then miss another few days or more will also be subject to termination from the program. Students with poor attendance will be given an over contract estimate and if it is determined that the student will go over contract even with perfect attendance they understand and agree that all over-contract charges will be due and payable the day the student goes over agreement.

Students who have been dismissed for attendance reasons may apply for re-enrollment after a period of 45 days. The student must provide proof to the School Director that the circumstances leading to dismissal have been corrected and that they will be able to maintain satisfactory progress. There is no guarantee that any student who is dismissed from the program will be readmitted. Students who do not complete the program and decide to re-enroll might not receive 100% of their prior hours. They will be subject to the current prior hours policy at the time the new enrollment agreement is signed. Each student will be evaluated individually.

NOTE: Students must meet requirements for re-enrollment as listed in the catalog under the Admissions section "Credit for Prior Hours"

STUDENT LAB

The lab is available for students who need to use the school computer or library resources for additional study time outside of the regular school hours. The student will receive clock hours for the time they are signed in to the lab and turn in the completed lab packet. Students must meet the requirements to register for the lab of 100% attendance the week prior and they may only make up "excused absences".

However, due to the nature of the training, individuals with requiring significant accommodations must schedule an appointment with the Director of their chosen campus. The Campus Director will review, as regular students, those individuals whose need for Reasonable Accommodation: 1) would not create a safety hazard to themselves or their training; 2) would not interfere with their ability to benefit from the training offered through their classroom performance capabilities; and 3) have a reasonable employment potential following graduation.

SATISFACTORY ACADEMIC PROGRESS POLICY

Satisfactory Academic Progress in attendance and academic work is a requirement for all students, and students must maintain Satisfactory Academic Progress to continue eligibility for funding. To determine Satisfactory Academic Progress for students who are attending the **Cosmetology** program, the student will be evaluated for both academics and attendance when the student is scheduled to complete the clock hours for that payment period (450 hours. 900hours 1250 hours.). The student must also complete at least 13 weeks at 450 hours. 26 weeks at 900 hours. and 36 weeks at 1250 hours to have completed a payment period. Students who are attending the **Barbering** program, the student will be evaluated for both academics and attendance when the student is scheduled to complete the clock hours for that payment period (450 hours 900hours 1200 hours). The student must also complete at least 13 weeks at 450 hours. 26 weeks at 900 hours. and 35 weeks at 1200 hours to have completed a payment period. Students attending the **Manicuring/Nail Care** course are evaluated for both academics and attendance when the student is scheduled to complete the clock hours for that payment period (200 hours) The student must also complete at least 6 weeks to have completed the payment period. Students will be provided with one of the following notices if their Satisfactory Academic Progress evaluation has any impact on their Title IV eligibility, a Financial Aid Warning letter, or a letter canceling the student eligibility, or a Financial Aid Probation Letter if the student appeals and wins.

ATTENDANCE POLICY/PROGRESS

Students must attend a minimum of 67% of the cumulative scheduled hours to maintain Satisfactory Academic Progress and complete the course within the maximum time allowed. The maximum time frame is equal to 1.5 times the published length of the program (example for Cosmetology would be 2400 scheduled hours). Time off for

authorized leaves of absence will be added to the maximum time frame. Students who do not complete within the maximum time frame will be dropped from the program. The following is an example of the number of hours that a student has to complete at the end of each payment period within the maximum weeks listed to be considered eligible to receive Title IV Aid payments.

Program	Minimum Hours	Maximum Weeks
Cosmetology	450	19
	900	38
	1250	53
Barbering	450	19
	900	38
	1200	52
Manicuring	200	9

ACADEMIC PROGRESS

Students are assigned theory study and practical assignments. Theory is evaluated by written exams given after each unit of study. Practical assignments are evaluated as completed and counted toward program completion ONLY when rated as satisfactory or better. Practical skills are evaluated according to text procedures and performance standards established by the state licensing agency.

Students must maintain a cumulative theory grade average of 70% and pass a FINAL written and practical exam prior to graduation. Numerical grades are considered according to the following grading scale:

Students receive grades both on written examinations and practical experience. Practical Assessments must be passed at 70% or greater before a student can move on to the next phase. For the purpose of SAP the written and practical grades will be combined for one academic grade.

GRADING

Grade	Interpretation	Average	Grade Point
A	Excellent	90%-100%	4.0
B	Good	80%- 89%	3.0
C	Average	70%- 79%	2.0
D	Unsatisfactory	60%- 69%	1.0
F	Failing Below	60%	0
I	Incomplete		

DETERMINATION OF PROGRESS

Students meeting requirements at the end of each payment period review points will be considered making Satisfactory Academic Progress until the end of the next scheduled payment period. In order for a student to be considered making Satisfactory Academic Progress, the student must meet both cumulative attendance and academic minimum requirements.

FINANCIAL AID WARNING

Students failing to meet requirements for attendance or academic progress at the end of any payment period will be

placed on Financial Aid Warning until the end of the next payment period. During the Financial Warning period, students are considered to be making Satisfactory Academic Progress and students who receive federal funds may continue to be funded. If the student is meeting minimum requirements at the end of the Financial Aid Warning period, the student will be determined as making Satisfactory Academic Progress. If the student fails to meet requirements at the end of the Financial Aid Warning period, the student will be suspended from receiving Title IV funds, unless the student appeals the finding that they are not meeting the Satisfactory Academic Policy and prevails on the appeal. A student cannot have successive periods in Financial Aid Warning status.

APPEAL POLICY FOR FA PROBATION

If a student is determined NOT to be making Satisfactory Academic Progress at the end of the Financial Aid Warning period the student may appeal the negative determination. The appeal may only be based on the following: The death of a relative, an injury or illness of the student, or other special circumstances. The Student must submit his/her written appeal notice to the school administration with supporting documentation including reasons why the determination should be reversed and what has changed in the student's situation that will allow the student to demonstrate satisfactory academic progress at the next evaluation.

The written appeal will be reviewed within 5 business days by the school administration and the student will be notified of the results in writing. The results of the appeal review are final and not appealable. If the student prevails on appeal the student will be placed on Financial Aid Probation and will be considered making Satisfactory Academic Progress until the end of the next payment period.

If the institution determines during the review of the appeal that the student appeal should be granted but still could not complete the training within the maximum timeframe the institution will develop an academic plan for the student. The academic plan will be monitored by the institution and reviewed at the next scheduled payment period to make sure the student is adhering to the academic plan. If at the end of the next payment period the students is still not making progress or is not following the approved academic plan the student will then receive another letter canceling the student eligibility to receive Title IV funding.

A student may not have more than one Financial Aid Probation during the student academic career. A Student may appeal each time the institution determines that the student is no longer making Satisfactory Academic Progress and the result of that determination would mean the student would be no longer be eligible for Title IV AID or being terminated from the institution. A copy of all evaluations including the appeal documents along with the appeal determination record will be maintained in the students file. Students may review the evaluation anytime by following the Academy's normal procedure for reviewing the students file.

REESTABLISHMENT OF STATUS

A student determined NOT to be making Satisfactory Academic Progress may reestablish Satisfactory Progress by:

- 1) Making up missed tests and assignments and increasing cumulative grade point average to 70%
and
- 2) Increasing cumulative attendance to 67%

REENTRY STUDENTS/INTERRUPTIONS

A determination of Satisfactory Academic Progress will be made and documented at the time of withdrawal or beginning of a Leave of Absence. That determination of status will apply to students at the time they return to school. The student may appeal a negative Satisfactory Academic Progress determination according to the appeal policy. Elapsed time during a Leave of Absence does not affect

Satisfactory Academic Progress and will extend the contract period by the same number of days in the Leave. There

will be no additional charges to a student for the time off when they are on an approved leave of absence. Students wishing to re-enroll in school after withdrawing must submit a letter to the school administration. Student letters requesting re-enrollment must include a summary of the reasons the student withdrew and how these issues have been resolved. Re-enrollment is at the discretion of the School Director/ Administrator. Decisions by the School Director/ Administrator regarding re-enrollment are final

Transfer students

New students that transfer to the Academy with hours from another school will start with 0 hours and be evaluated according to the number of hours the student enrolls for, but at a minimum of the midpoint of their program or academic year, whichever comes first. Their contract length will be adjusted to give them credit for attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted per the school transfer policy for the remaining hours needed to complete the program.

REINSTATEMENT OF FINANCIAL AID

Title IV aid will be reinstated to students who have prevailed upon appeal regarding the status of Satisfactory Academic Progress or who have reestablished Satisfactory Academic Progress.

PROGRAM INCOMPLETES, REPETITIONS, AND NON-CREDIT REMEDIAL COURSES

The school does not recognize course incompletes, repetitions, and non-credit remedial courses. As a result, these events will have no effect on the institution's Satisfactory Academic Progress

GRADUATION REQUIREMENTS

To be eligible for graduation and receive your Certificate of Course Completion, a student must have a grade average of 70% for graduation from any course at Salon Success Academy. Both theory and practical work are considered important. All work must be completed to graduate.

The following are required for graduation from all programs:

1. Completion of state required number of hours
2. Completion of all assignments and tests
3. 70% grade average
4. Payment (or approved payment arrangements) of all tuition, fees, and over-Agreement charges.

LEAVE OF ABSENCE (LOA)

Under extreme and extenuating circumstances a student may be permitted to interrupt training with an approved leave of absence. The total number of days for a single leave or combination of leaves cannot exceed 180 calendar days in any 12 month period. The institution will not assess the student any additional institutional charges as a result of the leave of absence nor will it count against them when calculating Satisfactory Academic Progress. The student's agreement end date will be extended by the same number of days as the leave. Upon graduation, if it is determined that the student will go over contract due to holiday/school closures that occurred during the period between the original end date and the new contract end date, the student will not be charged for those days. All leaves must be pre-approved by the student's Campus Director then submitted to the VP of Compliance & Student Services for final approval. All requests for an LOA must be submitted in writing, must be signed, and must be dated. It must also state the reason for the LOA request. Salon Success Academy must determine, before it grants an LOA, that there is a reasonable expectation that the student will return from the leave. It is Salon Success Academy's policy for a student to apply in advance for an LOA unless unforeseen circumstances prevent the student from doing so. LOA's will not be granted for less than 14 calendar days and must have documentation of the circumstance which is preventing the student from attending school. The LOA will not officially begin until it has been approved, therefore students who are absent before the leave is approved will be responsible for those days missed. Students may be required to make up theory work that is missed during their LOA depending on the length of time out. A student returning from a leave of absence or other official interruption of training must return to school in the same satisfactory

progress status as prior to their departure. If a student does not return by the expiration of an approved LOA the student will be automatically dropped on the day of their scheduled return. The student's withdrawal date is the date the student began the LOA. At Salon Success Academy, the withdrawal date for the purpose of calculating a refund is always the student's last day of attendance.

In general, students are given ample additional time within the scope of their contracted hours to use in the case of illness or other emergency situations. Leaves of absence will be granted only under extenuating circumstances. Students should attend all available additional hours to give them a cushion of time to use in the case of illness or emergency and not depend on receiving a leave of absence.

MAKE-UP WORK

Students are required to make up all assignments and work missed as a result of absences. The Instructor may assign additional make-up work to be completed for each absence; it will be assigned as outside work. Make-up work will not be authorized to remove an absence or count for clock hours.

CLASS SIZE

Class size is kept at a level that will allow each individual student to have a minimum of 15 square feet of space allocation. In addition, class enrollment is maintained at a maximum level of 30:1 student teacher ratio.

STUDENTS RIGHT TO PRIVACY

Students have the right at all times to consult the Instructor, Supervisor or Manager regarding school or personal problems. Student's rights of privacy or confidentiality will be maintained.

94312(k) this institution will withhold a student's transcript or grades if that student is in default on a loan or tuition contract. If the student has made partial payment, the portion of grades or transcript withheld would correspond on a pro-rata basis to the unpaid obligation. If the course of study consists of only one course, this institution will withhold the grades or the transcript until the tuition or loan obligation is paid in full.

Students and parents or guardian of dependent student have permission to view their files with an authorized staff member at the convenience of the staff. Any information concerning the student's file will be released upon the student's or guardians written instruction. The school can release student file information without written permission for legal or accreditation purposes. The student will receive a copy of his/her Record of Completion/Withdrawal upon graduation or withdrawal from school. If a student needs another copy at a later time then we require him/her to send a written request along with a **\$35.00** administrative fee for the first document and \$10 more for each additional document requested to the corporate office: Transcript request forms are available from the school or the Home Office. COMPENSATION, HEALTH AND PHYSICAL CONSIDERATIONS

Generally, the professional in the beauty field must be in good physical health for he/she will be working in direct contact with patrons. In most aspects of the beauty culture field there is a great deal of standing, walking, pushing, bending and stretching, and sometimes for long periods of time. A person must consider his/her physical limitations in terms of making a career choice that involves extensive training. We promote the acceptance of students in need of Reasonable Accommodation if these students believe they can fulfill training demands. The most recent Job Demand in the Cosmetology Sector (2007) published by NACCAS noted an average annual salary in a full-service salon (exclusive of tips) to be \$35,966. Compensation is primarily based on commission and salary ranges and gratuities which are all determined by the level of productivity of the professional.

CANCELLATION AND REFUND POLICY

STUDENT'S RIGHT TO CANCEL: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session (**first day of classes**), or the seventh calendar day after enrollment (**seven calendar days from the date when enrollment agreement was signed**), whichever is later.

The notice of cancellation shall be in writing and submitted directly to the Financial Aid Office, a withdrawal may be initiated by the student's written notice or by the institution due to student's academics or conduct, including, but not necessarily limited to student's lack of attendance.

Refund Policy: After the cancellation period, the institution provides a pro rata refund of **ALL** funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. Once more than 60 percent of the enrollment period in the entire course has elapsed (**including absences**), there will be no refund to the student. If the student has received federal student financial aid funds, the student may be entitled to a refund of monies not paid from federal student financial aid program funds.

A registration fee of \$ 100 is a **non- refundable item**. Equipment, books, supplies, tools, uniforms, kits and any other items **issued and received by the student** would not be returnable. **Once received** by the student it will belong to the student and will represent a liability to the student.

If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and equipment received. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. See Refunds section below. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance. Official withdrawal date is on the student’s notification or school’s determination.

Determination of withdrawal from school: The withdrawal date shall be the last date of recorded attendance. The student would be determined to have withdrawn from school on the earliest of:

The date you notify the Financial Aid Office of your intent to withdraw. Only the Financial Aid Office would be authorized to accept a notification of your intent to withdraw.
The date the school terminates your enrollment due to academic failure or for violation of its rules and policies stated in the catalog.
The date you fail to attend classes for a two-week period and fail to inform the school that you are not withdrawing.
The date you failed to return as scheduled from an approved leave of absence. The withdrawal date shall be the last date of recorded attendance. The date of the determination of withdrawal will be the scheduled date of return from LOA.

Return of Title IV: Special note to students receiving Unsubsidized/Subsidized/PLUS/Perkins loans, ACG/National SMART/Pell/SEOG grants or other aid, if you withdraw from school prior to the completion of the equivalent to **60 percent** of the workload in any given payment period, a calculation using the percentage completed will be applied to the funds received or that could have been received that will determine the amount of aid the student earned. Unearned funds would be returned to the program in the order stated below by the school and/or the student. Student liability to loan funds will continue to be paid in accordance to the original promissory note terms. Funds owed by the student to the Grant programs are limited to 50% of the gross award per program received. Sample Calculation, completion of 25% of the payment period or enrollment period earns only 25% of the aid disbursed or that could have been disbursed. If applicable, this would be the first calculation to determine the amount of aid that the student would be eligible for from the Title IV Financial Aid programs. A second calculation would take place to determine the amount earned by the institution during the period of enrollment. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including garnishing any income tax refund to which the person is entitled, to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

Refunds: If any refunds are due based on the Return of Title IV calculation or based on the institutional refund policy calculation, any refunds will be made as soon as possible but not later than 45 days from the determination of withdrawal date in the order stated in section CFR 34 section 668.22. The order of payment of refunds is, 1) Unsubsidized Loans from FFELP or Direct Loan, 2) Subsidized Loans from FFELP or Direct Loan, 3) Perkins Loans, 4) PLUS (Graduate Students) FFELP or Direct Loan, 5) PLUS (Parent) FFELP or Direct Loan, 6) Pell Grant, 7)Academic Competitiveness Grant (ACG), 8) National SMART Grant, 9) Federal SEOG, 10) Other. This order would apply in accordance to the aid programs available at the institution.

Course Cancellation: If a course is cancelled subsequent to a student’s enrollment and before instruction in the course has begun, the school shall at its option: 1) Provide a full refund of all money paid; or 2) Provide for completion of the course at schools in the neighborhood.

School Closure: If the school closes subsequent to a student's enrollment and before instruction in the course has begun, the school shall at its option: 1) Provide a full refund of all money paid; or 2) Provide for completion of the course at schools in the neighborhood.

FEDERAL CONSUMER INFORMATION

BASIC FINANCIAL AID INFORMATION NEED-BASED AND NON-NEED BASED FEDERAL PROGRAMS

Salon Success Academy, can offer quality education at surprisingly affordable cost. However, many qualified students will need financial assistance in the form of Federal Aid in order to attend any of our schools.

Each location may offer extensive Federal Financial Aid to qualified students who deserve a post- secondary education but do not have adequate financial means to do so.

NEED-BASED AND NON NEED-BASED STATE AND LOCAL AID PROGRAMS, SCHOOL AID PROGRAMS AND OTHER PRIVATE AID PROGRAMS

Salon Success Academy does not currently offer local aid funding.

HOW STUDENTS APPLY FOR FEDERAL STUDENT AID AND HOW ELIGIBILITY IS DETERMINED

Students enrolling in Salon Success Academy, should make application for Federal Financial Aid using the Free Application for Federal Student Aid (FAFSA) on the web:

<http://www.fafsa.ed.gov/>

A student's financial aid package may include a Federal Pell Grant, Federal Supplemental Education Opportunity Grant, and Federal Stafford Direct Loan. You should use FAFSA4caster to learn more about the financial aid process and get an early estimate of your eligibility for federal student aid.

You can access the FAFSA4caster at: <http://www.fafsa4caster.ed.gov/F4CApp/index/index.jsf>

Seniors in High School who are ready to fill out the FAFSA:

High school seniors in the last semester of school must fill out a FAFSA to determine their eligibility for financial aid.

Why should a student consider using the FAFSA4caster?

1. The Site will help students understanding Federal Student financial aid.
2. It will assist students in determining how they can apply for Federal student aid and who qualifies?
3. It allows students to get an early start on the financial aid process by learning the basics.

HOW THE SCHOOL DISTRIBUTES AID AMONG STUDENTS

Most Federal Financial Aid is awarded on the basis of financial need. Need is the difference between your cost of education (educational expenses such as tuition, room board, books, supplies and other expenses) and the amount you and your family are expected to contribute toward your education.

A standard formula is used for all applicants to determine this amount, which is called the expected family contribution (EFC). If there is anything left over after subtracting the expected family contribution from your cost of education you are then considered to have financial need.

THE RIGHTS AND RESPONSIBILITIES OF A STUDENT RECEIVING FEDERAL STUDENT AID

The student has the right to ask the school:

- The name of its accrediting and its licensing organizations.
- About its programs; its instructional, laboratory, its physical facilities, and its faculty.
- What the cost of attending is and the institutions policies concerning refunds and Return to Title IV (R2T4) to students who drop out.
- What financial assistance is available at Salon Success Academy; including information on all federal, state, local, private and institutional financial aid programs.
- What the procedures and deadlines are for submitting an application for each available financial aid program.
- How it determines a student's eligibility and need for financial aid.
- How much of your financial need, as determined by the school, has been met.
- To explain each type and amount of assistance in your financial aid package.
- What the interest rate is on any student loan you have, the total amount you must repay, when a student must start repaying.
- What is deferment of repayment or forbearance for certain defined periods. How do know if you qualify and how do you request deferment or forbearance.
- Provide written information on student's loan obligations and information on your rights and responsibilities as a borrower.
- To reconsider your aid package, if you believe a mistake has been made, or if your enrollment or financial circumstances have changed.
- How the school determines when and whether you are making satisfactory progress (SAP) and what happens if you fail to maintain SAP. How failing to maintain SAP affect your title IV eligibility.
- What special facilities and services are available to student with disabilities and how to request Reasonable Accommodation.

It is the student's responsibility to:

- Review and consider all the information about the school's program before enrolling.
- Pay special attention to the application process for Federal student financial aid, complete it accurately, and submit it on time to the right place. Errors on the FAFSA can delay or prevent your receiving aid timely
- Know and comply with all deadlines for applying and reapplying for aid.
- Provide all enrollment and verification documentations, corrections, and/or new information requested by either the financial aid officer or the agency to which you submitted the application.
- Notify the school of any information that has changed since you applied.
- Read, understand, and keep copies of all forms you were asked to sign.
- Ensuring you are aware that you must start making monthly repayment on your student loan after your grace period ends, unless you have a deferment or forbearance. When you sign your master promissory note (MPN), you are agreeing to repay your loan.
- Attend an exit interview at the time you leave the school to determine the net balance of your account with the school as well as the net balance of any student loan.
- Notify the school of a change in your name, address, phone number, or attendance status (full/part-time student). If you have student loans, you must notify your lender of these changes.
- Understand your school's refund policy.
- Understand and comply with the enrollment status, financial charges, financial terms, time allowed to complete, refund policy and termination procedures as specified in the enrollment contract you will be asked to sign.
- Understand that you may be responsible and have liability for portions of Title IV funds return by the institution on your behalf.
- Understand that there could be liabilities when errors are made as a result of inconsistent information provided by the student that results in funds being awarded that a student was not eligible for that were advanced to you or credited to your school account.

HOW AND WHEN WILL FINANCIAL AID BE DISBURSED

Financial Aid and Title IV funds will be disbursed at 0 hrs, 450 hrs, 900 hrs., and 1250 hours. Students must meet these clock hour requirements in order to be eligible for Title IV funding disbursement. Each student will be evaluated on an individual basis to determine eligibility based on total cumulative hours and weeks in each payment period.

THE TERMS AND CONDITIONS OF ANY EMPLOYMENT THAT IS PART OF THE FINANCIAL AID PACKAGE

Salon Success Academy's does not employ any students who are currently receiving financial aid and are attending the school programs.

THE TERMS OF THE SCHEDULE FOR AND THE NECESSITY OF LOAN REPAYMENT AND REQUIRED LOAN EXIT COUNSELING

The formula for determining the amount of loans is:

(Cost of Attendance) – Minus (EFC) – Minus (estimated financial assistance)
= (Need for subsidized Stafford)

An unsubsidized loan can replace the EFC.

APPLICATION FOR LOAN:

To receive a Stafford Direct Loan, a student must complete a Free Application for Federal Student Aid and a Master Promissory Note. (MPN)

In the traditional paper process, the MPN might be completed at the school by the student and submitted to the lender or school. In other cases the school certifies the loan based on the student's acceptance of the aid package, and the lender or the school's servicer sends the MPN to the student for signature. Regardless of how this is done, the Borrowers' Rights and Responsibilities Statement must be provided to the borrower with the MPN.

Required borrower information on the MPN:

The MPN contains identifying information including name, permanent address, a date of birth, social security number, driver's license number, and two personal non-student adult references with U.S. addresses. The borrower must read, sign and date the MPN.

HOW MUCH SHOULD I BORROW

You may borrow only as much as you need to help cover your school expenses (direct and in-direct).

HOW MUCH INTEREST WILL I PAY

The interest rate on Direct subsidized and Unsubsidized Loans is a variable rate that is adjusted each year on July 1. As a result, your interest rate may change annually, but it will never exceed 8.25 percent. You will be notified annually of the actual interest rate for each loan that you receive.

Interest is not charged on your subsidized loan while you are enrolled at least half-time, during your grace period and during deferment periods. Interest is charged on your Direct Subsidized Loan during all other periods, starting on the day after your grace period ends, (including forbearance periods). Interest is charged on your unsubsidized loan during all periods, starting on the day it is disbursed.

*If a student obtains a loan, the student will have to repay the full amount of the loan plus interest, less the amount of any refund and if student receives federal student financial aid funds the student is entitled to a refund of the money not paid from federal financial aid funds.

Adverse Credit History of Borrowers of Plus (Loan)

The parent may not have adverse credit to borrow a PLUS. This is defined in the regulations as the applicant being 90 days or more delinquent on a debt or having been subject in the last five years to a default determination, bankruptcy discharge, foreclosure, repossession, tax lien, wage garnishment or write off of an FSA debt. The absence of any credit history is not considered adverse credit. Lenders may establish more restrictive credit standards for determining adverse credit.

If the parent borrower has an adverse credit history the applicant has the option of receiving a PLUS using a creditworthy endorser. If an endorser is used a separate Endorser Addendum is required for each PLUS loan. If an endorser is involved a new MPN must be used. The endorser is only liable for the specific loan or loans he/she has agreed to endorse.

School Certifies/Originates the Loan:

The school's primary responsibilities in the loan application process are to ensure the completeness and accuracy of the MPN based on information it has available.

Checklist for loan certification:

For all Federal Direct Loans programs applications: the school must:

- Confirm that the student and parent meet the definition of eligible borrower. This would include the student's grade level, loan period and the amounts of the disbursements as well as the student's enrollment status and anticipated completion/graduation date. The school must confirm the student's dependency status for PLUS. Check on NSLDS to check the student's financial aid history, including loan limits. It must document the student's COA, EFC and estimated Financial Aid in the student's file. It must be available to the lender, guarantor, or the Department.
- Determine the student's enrollment status and SAP
- Review NSLDS information on ISIR to ensure that the student (or both the student and parent in the case of PLUS loan) is not in default on any FSA loan and does not owe a refund on any FSA grant or scholarship and will not exceed the annual or aggregate loan limits applicable to borrowers.
- Ensure the amount of the loan in combination with other aid will not exceed the student's financial need or the annual or aggregate loan limit.

For Federal Direct Stafford Loan the school must also:

- Determine the student's Pell grant eligibility (for a sub Stafford the need analysis must use official EFC calculated by the Department to determine the student's financial need), and if eligible include the grant in the student's aid package.
- For an unsubsidized Stafford loan, first determine the student's eligibility for a Stafford loan
- Prorate Stafford loans for programs of study that are shorter than an academic year and for programs in which the remaining period of study is less than an academic year in length
- Ensure that the loan disbursement dates meet the cash management and disbursement requirements for Stafford loans.

A separate PLUS MPN is required for each dependent student or if both parents want to borrow individually on behalf of the student.

Additional Unsubsidized Direct Stafford:

Dependent students whose parents are unable to borrow PLUS loans due to adverse credit or other exceptional circumstances may receive additional unsubsidized amounts at the same level as independent undergrad students. The amounts are limited

Guidelines for determining student's eligibility:

- Parent's unwillingness to borrow a PLUS does not make the dependent student eligible
- The aid administrators belief that a parent should not borrow a PLUS does not make the student

eligible

- Only one parent must apply for a PLUS and be denied based on adverse credit history. However if both parents apply independently and one is approved and one denied, the student is not eligible for increased loan amounts.
- The parents denied of PLUS based on adverse credit in one year does not support the dependent's eligibility in subsequent years.
- The dependent student may become eligible at any time during an academic year if the parent has been approved and later denied.

The dependent student may be eligible for increased unsubsidized loan amounts if you determine and document that other exceptional circumstances exist that will prevent a student from borrowing:

- The parent is incarcerated and therefore ineligible
- Parent's whereabouts are unknown
- Parents income limited to Public Assistance or disability and you have evidence that the lender that makes loans to students and parents at the school has denied a PLUS loan or will not make a PLUS loan to a parent under its lending policy due to the parent's existing debt burden, income to debt ratio, likely inability to repay or other credit standards.

Scheduling Disbursements:

Disbursements will be established with the lender. This is the date that the funds are disbursed to the student. In keeping with the three day turnaround time for payment of FSA funds to the student. For Stafford Direct Loans the school may request the Stafford Direct funds may be provided on the thirty first day of classes for the first payment period for a first year, first time Stafford Direct Loan borrower

Exit Counseling

All students who are graduating or withdrawing from school must receive exit counseling

The school will ensure that students receive exit counseling before they leave school. Counseling may be provided in person (individually or in groups), or using audiovisual materials. As with entrance counseling, exit counseling is offered on the Web by guarantors and lenders. Student borrowers should be advised to complete online exit counseling or come to the counseling session at the school shortly before graduating, or ceasing at least half-time enrollment. Student Financial Planners at Salon Success Academy are reasonably available to answer questions from student borrowers. One of the borrowers' obligations is to participate in an exit counseling session. Some of the same material presented at the entrance counseling session will again be presented during exit counseling. The emphasis shifts to more specific information about loan repayment and debt-management strategies. The following information will be provided as part of exit counseling:

1. Exit counseling emphasizes the seriousness and importance of the repayment obligation.
2. The lender sends payment coupons or billing statements as a convenience for the borrowers. Not receiving them does not relieve the borrower of his or her obligation to make payments.
3. Many lenders encourage borrowers to set up electronic debiting of bank accounts to repay their loans.

The regulations require that exit counseling describes the likely consequences of default, including adverse credit reports, and litigation. Students will be informed of the charges that might be imposed for delinquency or default, such as lenders or guarantor's collection expenses (including attorney's fees). Defaulters often find that repayment schedules for loans that have been accelerated are more stringent than the original repayment schedule. A defaulter is no longer eligible for any deferment provisions, even if he or she would otherwise qualify. The defaulter's federal and state tax refunds may be seized and wages garnished, and the borrower loses eligibility or any further funding from the FSA programs.

The student will receive an explanation of the use of the Master Promissory Note. The student will be advised to read carefully the MPN and the Borrowers Rights and responsibilities statement again.

Emphasis will be given that repayment is required, regardless of educational outcome or subsequent employability. The student borrower will be informed that they are obligated to repay the full loan even if they did not finish the

program, cannot obtain a job after graduation, or is dissatisfied with the school's educational program or other services.

Sample monthly repayment accounts will be provided. The borrower will be given an estimate of the average anticipated monthly payments based on their indebtedness (or the average indebtedness of Stafford borrowers at our school or in the same program). The borrower will receive a sample loan repayment schedule based on their total indebtedness. A loan repayment schedule will usually provide more information than just the expected monthly payment. For instance, it would show the varying monthly amounts expected in a graduated repayment plan. The lending organization is not required to send the repayment schedule to the student until the grace period.

Repayment options will be reviewed with the student. The counseling will review the payment options, such as the standard, extended, graduated and income-contingent income sensitive plans. The option of consolidating loans will also be discussed. Consolidation loans are available through the Federal Direct Student Loan Program.

Debt Management Strategies will be discussed. The counselor will stress the importance of developing a realistic budget, based on the student's minimum salary requirements. It is helpful to have the student's budget reflect the loan payment as a fixed cost, like rent and utilities

Forbearance, deferment, and cancellation options will be discussed including:

1. If a student cannot make scheduled payments and does not qualify for a deferment, the lender may allow the student to temporarily make smaller payments or temporarily stop making payments. Interest continues to be charged during forbearance. Some reasons why forbearance may be granted are financial hardship and/or illness. The lender must grant forbearance if the student has a monthly debt burden for Title IV loans that collectively equals or exceeds 20% of their total monthly gross income (for up to three years) There are several other reasons listed in the Borrowers Rights and Responsibilities.
2. Deferments mean that the student does not have to make payments in certain circumstances. If the student is attending school at least half-time, or if the student is unemployed, if the student is experiencing economic hardship as determined by federal law for up to three years. (See student's rights and responsibilities).

The student will be informed of the Availability of Loan Information on NSLDS and the availability of the FSA Ombudsman's Office. The borrower's loan history can be reviewed on NSLDS (PIN required for access). Students without Internet access can identify their loan holder by calling 1-800- 4-fed-aid. The borrower will be made aware that the information on the NSLDS site is updated by lenders and guarantors and may not be as current as the latest information from the loan holder. The Ombudsman's office is a resource for borrowers when other approaches to resolving student loan problems have failed. Normally the bank and/or guarantor can help with any problem

Review the Student's Rights and Responsibilities: The student received this with the MPN at the beginning of the loan process and it should be reviewed again at the exit interview.

The importance of keeping loan records will be reinforced with the student. The borrower should keep the loan repayment schedule provided by the lender when repayment begins as well as records of loan payments—including cancelled checks, money order receipts. The student should keep copies of any requests for deferment or forbearance, or any other correspondence with the loan holder.

The School will collect and update personal and contact information: During exit counseling, the aid office will obtain

the borrower's expected permanent address after leaving school, the address of the borrower's next of kin, and the name and address of the borrower's expected employer (if known). A school will correct its records to reflect any changes in the borrower's name, address, Social Security Number, or references and will obtain the borrower's current driver's license number and state of issue. Within 60 days after the exit interview, the financial aid office will provide this information to the loan vendor.

The student will also be provided with the current name and address of the borrower's lender (or Federal Vendor), based on the latest information. An explanation will be given of how to complete deferment forms and how to prepare correspondence to the lender or vendor will also be included. Emphasis will be made that the borrower should always keep copies of all correspondence from and to them about their loans. It will be stressed that a borrower must make payments on their loans even if the borrower does not receive a payment booklet or a billing notice.

If the student borrower drops out without notifying the school, we will confirm that the student has either completed online counseling, or exit counseling material will be mailed to the borrower at their last known address. The material must be mailed within 30 days of learning that a borrower has withdrawn or failed to participate in an exit counseling session. When we mail these exit materials, we are not required to use certified mail with a return receipt requested, but we must document in the student's file that the materials were sent. If the student fails to return the Exit Counseling material including the contact information, we are not required to take any further action.

Grace Period: Once the student withdraws, leaves school or graduates on the subsidized loans there is a grace period of six months. During this time no interest accrues on the subsidized loan. On an unsubsidized loan the interest is paid during the loan period but the principal is not paid until after the grace period. The borrower has a choice of paying the interest or having it capitalized – adding the accrued interest to the original loan principal. PLUS loan repayment begins sixty days after the second disbursement and interest begins at that point.

Repayment on all loans is up to ten years with a minimum repayment of \$50.00 per month.

COST OF ATTENDING SCHOOL

Explanation of Return of Title IV Funds in the event of withdrawal or termination:

Only the Title IV programs are to be included in this calculation

You must keep in mind that when you apply for financial aid, you sign a statement that you will use the funds for educational purposes only. Therefore, if you withdraw before completing your program, a portion of the funds you received may have to be returned. The school will calculate the amount of tuition it must return to the Federal funds according to the policies listed below:

The Return of Title IV Funds is NOT a Refund Policy. Instead, the Federal regulations (beginning with October 7, 2000) require the use of a Return to Title IV calculation to determine the amount of Title IV funds a student has earned as of the date he or she ceases attendance. Any student receiving Title IV funds will be subject to these regulations.

The law specifies how your school must determine the amount of Title IV program assistance that you earn if you withdraw from school. The Title IV programs that are covered by this law are: Federal Pell Grants, Federal Direct Stafford Loans, PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOGs), Federal Perkins Loans and in some cases, certain state grant aid (LEAP/SLEAP), GEAR UP grants, and SSS grants to students.

When you withdraw during your payment period or period of enrollment (your school can define these for you and tell you which one applies) the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or your school or parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by the school and/or you.

The amount of assistance that you have earned is determined on a pro rata basis. For example, if you completed 30% of your payment period or period of enrollment, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the payment period or period of enrollment, you earn all the assistance that you were scheduled to receive for that period.

If you did not receive all of the funds that you earned, you may be due a post-withdrawal disbursement. If the post-withdrawal disbursement includes loan funds, you may choose to decline the loan funds so that you don't incur additional debt. Your school may automatically use all or a portion of your post-withdrawal disbursement (including loan funds, if you accept them) for tuition, fees, and room and board charges (as contracted with the school). For all other school charges, the school needs your permission to use the post-withdrawal disbursement. If you do not give your permission (which some schools ask for when you enroll), you will be offered the funds directly.

However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

If a student earned more aid than was disbursed to him/her, the institution would owe the student a post-withdrawal disbursement. From the date the institution determined the student withdrew, grant funds must be paid within 45 days, and loan funds must be paid within 180 days.

Return of Unearned Aid is allocated in the following order:

1. Unsubsidized Federal Direct Stafford Loan
2. Subsidized Federal Direct Stafford Loan
3. Federal Perkins Loan
4. Federal Direct Parent (Plus) Loan
5. Federal Pell Grant
6. Federal Supplemental Opportunity Grant
7. Other Title IV Assistance

There are some Title IV funds that you were scheduled to receive that you cannot *earn* once you withdraw because of other eligibility requirements. For example, if you are a first-time, first-year undergraduate student and you have not completed the first 30 days of your program before you withdraw, you will not earn any Direct loan funds that you would have received had you remained enrolled past the 30th day.

Title IV Future Professionals reentering within 180 days of withdrawal date will resume at the same status as prior to withdrawal.

If you receive (or your school or parents receive on your behalf) excess Title IV program funds that must be returned, your school must return a portion of the excess equal to the lesser of:

1. Your institutional charges multiplied by the unearned percentage of your funds, or
2. The entire amount of excess funds.

The school must return this amount even if it did not keep this amount of your Title IV program funds.

If your school is not required to return all of the excess funds, you must return the remaining amount. Any loan funds that you must return, you (or your parent for a PLUS Loan) repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time.

Any amount of unearned grant funds that you must return is called an *overpayment*. The amount of a grant overpayment that you must repay is half of the received amount. You must make arrangements with your school or the Department of Education to return the unearned grant funds.

The requirements for Title IV program funds when you withdraw are separate from any refund policy that your school may have. Therefore, you may still owe funds to the school to cover unpaid institutional charges. Your school may also charge you for any Title IV program funds that the school was required to return. If you don't already know what your school's refund policy is, you can ask your school for a copy. Your school can also provide you with the requirements and procedures for officially withdrawing from school.

If you have questions about your Title IV program funds, you can call the Federal Student Aid Information Center at 1-800-4-FEDAID (1-800-433-3243). TTY users may call 1-800-730-8913. Information is also available on *Student Aid on the Web* at www.studentaid.ed.gov.

The Return of Title IV Funds is NOT a Refund Policy. Instead, the Federal regulations (beginning with October 7, 2000) require the use of a Return to Title IV calculation to determine the amount of Title IV funds a student has earned as of the date he or she ceases attendance. Any student receiving Title IV funds will be subject to these regulations.

NOTE: If the initial amount of the overpayment owed by the student is \$25.00 or less, the student repayment requirement is forgiven.

The availability of a GED program, if the school admits students who do not have a high school diploma or equivalent

The Higher Education Act (HEA) of 1992 mandated that a student can receive financial aid for study abroad if the student is enrolled in a program approved by the home institution. Moreover, the student would be eligible to receive "grants, loans, or work assistance without regard to whether the study abroad program is required as a part of the student's degree."

DRUG AND ALCOHOL ABUSE INFORMATION

Following you will find the requirements of the Drug-Free Schools and Communities Act Amendments of 1989, Public Law 101-226 and what Salon Success Academy requires of Staff and Students. Salon Success Academy provides to each student who enrolls an individual copy of this policy describing in more detail what drug and alcohol abuse is and how to recognize it.

Staff and Students are prohibited from the unlawful manufacture, distribution, possession, or use of illicit drugs or alcohol. This prohibition applies while on the property of the school or participating in any institutional activity, Students or employees who violate this policy will be subject to disciplinary action up to and including expulsion or termination from school or employment.

Additionally, there are numerous local, state and federal laws, which can be used to punish violators. Penalties can range from suspension revocation and/or denial of a driver's license, to 20-50 years imprisonment at hard labor without benefit of parole. Property may also be seized. Community service may also be mandated.

Students could lose eligibility for financial aid, could be denied other federal benefits, such as Social Security, retirement, Welfare, health care benefits, disability and Veterans benefits. Public housing residents could also be evicted. Finally, a record of a felony or conviction in a drug-related crime may prevent a person from entering certain career.

FERPA

The Family Educational Rights and Privacy Act (FERPA) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records, which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions:
 - School officials with legitimate educational interest;
 - Other schools to which a student is transferring;
 - Specified officials for audit or evaluation purposes;
 - Appropriate parties in connection with financial aid to a student;
 - Organizations conducting certain studies for or on behalf of the school;
 - Accrediting organizations;
 - To comply with a judicial order or lawfully issued subpoena;
 - Appropriate officials in cases of health and safety emergencies; and
 - State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or

"statutory" damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For "willful" infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys' fees. For details, see Title 17, United States Code, Sections 504, 505.
