Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session (**first day of classes**), or the seventh calendar day after enrollment (**seven calendar days from the date when enrollment agreement was signed**), whichever is later.

The notice of cancellation shall be in writing and submitted directly to the Financial Aid Office. A withdrawal may be initiated by the student's written notice or by the institution due to student's academics or conduct, including, but not necessarily limited to student's lack of attendance.

Refund Policy: After the cancellation period, the institution provides a pro rata refund of any amount paid for institutional charges to students who have completed 60 percent or less of the period of attendance. Once more than 60 percent of the enrollment period in the entire course has elapsed (**including absences**), there will be no refund to the student. If the student has received federal student financial aid funds, the student may be entitled to a refund of monies not paid from federal student financial aid program funds. Students who completed less hours than they were scheduled to attend as of their last day of attendance will be billed based on the scheduled hours they could have attended as of that date. If the student attended more than their scheduled hours on their last day of attendance they will be billed based on their actual hours.

A registration fee of \$ 100 is a **non- refundable item**. A kit **issued and used by the student** would not be returnable. Once used by the student it will belong to the student and will represent a liability to them.

If the student cancels the agreement within the cancellation period, the school will refund 100% of the amount paid, less a reasonable deposit or application fee not to exceed \$250. If the student withdraws from school after the cancellation period, the refund policy described above will apply. If the amount the student has paid is more than the amount they owe for the time attended, then a refund will be made within 45 days of the official withdrawal date. See Refunds section below. If the amount that the student owes is more than the amount they have already paid, then arrangements must be made with the institution to pay that balance. The official withdrawal date is on the student's notification or the school's determination.

Determination of withdrawal from school: The withdrawal date shall be the last date of recorded attendance. The student would be determined to have withdrawn from school on the earliest of:

- | |
|---|
| the date you notify the Financial Aid Office of your intent to withdraw. Only the Financial Aid Office would be authorized to accept a notification of your intent to withdraw. |
| the date the school terminates your enrollment due to academic failure or for violation of its rules and policies stated in the catalog. |
| The date you fail to attend classes for a two-week period and fail to inform the school that you are not withdrawing. |
| the date you failed to return as scheduled from an approved leave of absence. The withdrawal date shall be the last date of recorded attendance. The date of the determination of withdrawal will be the scheduled date of return from LOA. |
