INTRODUCTION & HISTORY

Salon Success Academy is a family owned and operated beauty school with a long history in the Inland Empire of California. The school was originally founded by award winning stylist and salon owner, Richard Gross, as Richard's Beauty School in 1960. Richard's son, Robert Gross, later became the owner and president in 1990. Six years later, the company began operating under the name Salon Success Academy. Since then, the beauty school has expanded to six locations. The company's headquarters is in Upland, California. Robert's strong commitment to education, and to the local community, has helped turn Salon Success Academy into the "People Helping Company" that it is today.

INSTITUTIONAL PHILOSOPHY

Salon Success Academy is committed to the vocational needs of their students and the community. Courses are designed for the student who is seeking an education that is relevant to the practical needs and technical environment of modern industry. Our primary objective is to produce technically skilled, job ready graduates who will be valuable to their employers, the community and themselves. Graduates of our programs will be prepared to take and pass the State Board Exams for the program selected. Once licensed, our graduates are qualified to work in the professional beauty salon industry. Through the skill and dedication of a well-qualified faculty, quality curriculum, hands-on training program and high-performance demands of students, our graduates are a credit to their school, their employer and themselves.

MISSION STATEMENT

Our mission is to equip our students with the tools necessary to succeed in the beauty industry by providing exceptional technical education in the classroom and servicing our local communities. The training our students receive will enable them to successfully attain employment in the beauty industry and related fields.

FINANCIAL AID PROGRAMS

For those students who qualify the school participates in Federal Pell Grant and William D Ford "Direct Loan Program" Subsidized, Unsubsidized and Plus loans. Subsidized loans are need based; based on the school's COA and the Student's EFC a determination is made concerning need or lack thereof. Unsubsidized loans are not need based. School personnel counsel each student carefully as a means of enabling students to minimize the amount of debt incurred while attending school. The Pell Grant is a grant to those who qualify (qualification is based on family earnings) and does not have to be repaid except in cases where a student fails to complete a specified percentage of the pay period of which they are currently attending. In cases where a student withdraws before completing 60% of the specified pay period, a portion of the grant becomes the student's liability and as such may create a greater liability on the student in terms of balance owed the school. Our Student Financial Planners work with students in determining loan amount need(s) and loans must be certified by school's Financial Planning Office. The school certifies loans only in amounts to cover the cost of the student's Agreement. All student loans are binding Agreements between the student and the U S Department of Education and as such must be repaid. Failure to repay student loans by student's and or parents (Plus Loan) to the U S Department of Education as scheduled on the promissory note will have adverse effects on if the individuals credit history. Students are apprised of expected federal funds for a specified award on or before the first day of class based on financial and or other pertinent information the student provides to the school when filing or verifying FAFSA information. Federal funds are disbursed in payment periods. Disbursement of federal funds is contingent on the students being in satisfactory progress at the scheduled disbursement date. Failure to maintain satisfactory progress as defined in the school's satisfactory progress policy will cause a student's federal funds to be withdrawn.

PAYMENT METHODOLOGY

Perspective students, prior to beginning school, will meet with our Financial Planning Department to establish a financial plan to meet the costs associated with their scheduled course. Our team in Financial Planning will determine, through reviewing the resources available to the student and possibly their family, as well as what forms of financial aid they may wish to apply and be eligible. As a result of our financial planning process, with the timely and accurate submissions of forms with our support, students will be able to develop a financial plan to meet their educational goals. The student's plan may include a variety of options depending on the approved plan developed with the student and Salon Success Academy including the following:

Payment Options (may vary as a result of the student financial planning process)

1. Full payment prior to beginning school.
2. Third Party financing agreement between the student and third party.
3. Students will pay a partial amount before classes begin and will make monthly payments according to the Payment Plan in each month.
4. Federal Student Aid to pay student tuition, and if needed private payments to pay the full cost of the course.

Salon Success Academy accepts as forms of payment Title IV funding, cash, check, money order, or credit card.

ATTENDANCE POLICY

Future employers will not tolerate absences. Salon Success Academy strives to prepare students for a successful career in which attendance is a critical component. Additionally, if a student is excessively absent he/she will not be able to master the course content and develop the knowledge and skills to succeed.

The course is measured by actual clocked hours. Both excused and unexcused absences have a negative effect on a student's Attendance Rate.

The following attendance regulations are in effect at Salon Success Academy.

1. Day students can clock in from 8:55 am – 9:05 am and are late at 9:06. Night students can clock in from 5:25pm – 5:35pm and are late at 5:36.
2. Students will not be allowed to clock in later than 5 minutes after their scheduled start time unless they have documentation that is approved by the Campus Director. E.g., doctor's note time and date stamped.
3. Students may only take breaks at the discretion of their instructor or Campus Director.
4. Lunch breaks are REQUIRED for 30 minutes daily on the Full Time Schedule (35 hours per week). Students may be written up, suspended, or possibly terminated from the program for taking breaks without permission, taking excessive breaks or longer than approved lunch or other breaks. Students who take less than 30 minute lunch breaks will have their time adjusted to 30 minutes. Students who do not clock out at all will have a lunch break added for 60 minutes. Consistently taking short lunches or not clocking out will result in suspension or termination from the program for additional occurrences.
5. Students who miss class will be required to make up all missed assignments and exams in a timely manner. Falling behind on theory exams and assignments will lead to low GPA and possible loss of financial aid funding.
6. Students who are habitually late will be counseled and expected to correct their tardiness. Those who do not make the appropriate corrections to get to school on time may be subject to overage fees due to low attendance percentage and/suspension or termination from the program.
7. Saturday attendance is not only a mandatory part of your training but will also be a vital part of your success when you begin working in the industry. Students who are absent on Saturday or attend less than 100% of their scheduled hours on that day without proper documentation or campus director approval will be counseled and expected to correct their absenteeism.
8. Students may, under unusual circumstances and with prior written permission from the Campus Director, have an excused absence on Saturday if the circumstances relate to a medical, legal, military, bereavement or direct (bloodline or spouse) family related emergency. Under a documented medical emergency, the pre-approval requirement may be waived. While this circumstance may be an approved absence the academic and

attendance requirements must be made-up. Students incurring a Saturday absence under this type of documented circumstance may be allowed to make up the time at lab and will not be subject to suspension for the occurrence.

Students who have been absent fourteen (14) consecutive calendar days may be subject to termination on or after the fourteenth (14th) day if they:

- (a) have not been in contact with school administrators or
- (b) they have been in contact with school administrators but have not attended beyond the 14th day and have not provided documentation to officially apply for a leave of absence.

The student should contact the Campus Director to discuss their school status, i.e. active or dismissed prior to clocking in after a 14 day absence.

Students who continually miss days every week will also be subject to termination from the program. Missing 1.5 days in a week equals 67% attendance of the weekly scheduled hours. This is the minimum requirement to maintain financial aid funding, active enrollment, and completion within the maximum time frame.

Students with poor attendance will be provided with over contract estimate(s) when counseled. If it is determined that the student will go over contract even with perfect attendance, they understand and agree that all over-contract charges will be due and payable the day the student goes over agreement.

Students who are dismissed or voluntarily withdraw and have 70% or less attendance must wait a minimum of 90 days from their last day of attendance to apply for re-enrollment. Students will be subject to a waiting period of up to 180 days from their last day of attendance before they may be granted approval to re-enroll. The waiting period and approval or denial will be based on the student's prior attendance patterns, overall percentage at the time of withdrawal or dismissal, the documentation provided for their attendance issues in the prior enrollment and proof of correction. Students who had behavior issues may be denied based on the severity of the occurrences.

The student must provide proof to the VP of Administration that the circumstances leading to their poor attendance have been corrected and that they will be able to maintain satisfactory progress. There is no guarantee that any student who is dismissed or withdraws from the program will be readmitted. Students who do not complete the program and decide to re-enroll might not receive 100% of their prior hours. They will be subject to the current prior hours policy at the time the new enrollment agreement is signed. Each student will be evaluated individually.

NOTE: Students must meet requirements for re-enrollment as listed in the catalog under the Admissions section "Credit for Prior Hours"

TIME CLOCK PROTOCOLS

Your hours are important to you, and we want to make sure that you are getting the proper credit for all your hard work. Remember, you must be responsible for clocking correctly so that you don't lose your time. The following is a list of occurrences which could result in a loss of time:

- **Students who do not clock in when they get here** will lose the time until they do clock in.
- **Students who do not clock out for lunch but clock in** will receive a **maximum** of ½ credit for the day.
- **Students who do not clock in from lunch but clocked out** will receive a **maximum** of ½ credit for the day.
- **Students who do not clock out to go home** will receive a **maximum** of ½ credit for the day.
- **Leaving school at any time without clocking out is grounds for termination from the program.**
- Full Time Students are **required** to take a **30 minute lunch break** daily, when at school **more than 5 ½ hours**. **Students who do not clock in and out for lunch breaks will have a minimum of 1 hour deducted from their time. Students who clock less than 30 minutes will have their time adjusted to 30 minutes. Habitual infractions are subject to 1 hour lunch adjustments, suspension, termination and/or loss of hours as specified above.**
- Students having another student sign them in or out will result in **termination for both students involved.**

- Falsifying time by signing in or out for a day or time other than what you are actually clocking on the time clock (within two minutes) is grounds for termination. Students are not to sign in and out ahead of time. Time on the sign in sheets is to be entered immediately before or after using the time clock.

STUDENT LIBRARY

Library materials such as books, magazines and DVD's are made available to all students for checkout at their campus. A limited number of Chromebooks are also available for checkout to be used on school premises. The Upland campus also has PC's available for use during lab hours. Students can sign out materials from their Campus Director or Instructor. A list of available resources is posted by the cabinet or shelf where they are displayed.

EXCUSED ABSENCE

Students **may** be allowed the opportunity to clock make up hours when:

- 1) The student has reported their absence to the school before 9:00 am the day of the absence by calling, emailing or texting the Registrar or Campus Director with a valid reason that does not meet the unexcused absence criteria. Subject to the discretion of the Campus Director (documentation recommended)
- 2) Pre-arranged and **pre-approved** by the Campus Director (Documentation recommended)
- 3) Documented emergency

UNEXCUSED ABSENCES

Students may **lose out on the opportunity** to clock make up hours for the following reasons:

- 1) Leaving early, unless pre-arranged/documented and pre-approved by the Director
- 2) Arriving late, unless pre-arranged/documented and pre-approved by the Director
- 3) Consistent absent patterns
- 4) Suspensions / Sent home from school
- 5) All Saturday absences, unless it is a documented emergency or has been pre-arranged and pre-approved by the Campus Director.

PREARRANGED AND PREAPPROVED ABSENCE GUIDELINES

- 1) The student should have excellent attendance on a normal basis (**Actual** Attendance is at or above 95%)
- 2) Student is free from behavior problems
- 3) Student is on schedule for completing modules, assignments, quizzes and exams
- 4) Student has discussed and received written approval from the Campus Director prior to the absence.

MAKEUP HOUR OPPORTUNITIES

- 1) Full time day students (9:00 – 5:00) who take a 30 minute lunch will gain 30 minutes per day in make up hours.
- 2) Part time night students (5:30 – 9:30) may arrange with the campus director to attend one (1) Saturday per month. Students may choose either the 1st or 3rd Saturday of the month and the student must attend the full day to get credit. The extra make-up hours may not be used in place of a scheduled school day on a regular basis. Students who consistently abuse the make up hour system will lose the privilege of making up hours in this manner.

REASONABLE ACCOMMODATION

Salon Success Academy admits as regular students individuals in need of Reasonable Accommodation. However, due to the nature of the training, individuals requiring significant accommodations must schedule an appointment with the Director of their chosen campus. The Campus Director will review, as regular students, those individuals whose need for Reasonable Accommodation: 1) would not create a safety hazard to themselves or their training; 2) would not interfere with their ability to benefit from the training offered through their classroom performance capabilities; and 3) have a reasonable employment potential following graduation.

SATISFACTORY ACADEMIC PROGRESS POLICY (SAP)

The Satisfactory Academic Progress (SAP) policy is provided to students prior to enrollment. Satisfactory Academic Progress in attendance and academic work is a requirement for all students, and students must maintain Satisfactory Academic Progress to continue eligibility for funding. Students will be evaluated on cumulative scheduled hours for their program and schedule. These programs all are based on an academic year of 900 hours and 26 weeks. To determine Satisfactory Academic Progress for students who are attending the **Cosmetology (1600 clock hours)** program, the student will be evaluated for both academics and attendance when the student is scheduled to complete the clock hours for that payment period (450 hours. 900hours 1250 hours.). The student must also complete at least 13 weeks at 450 hours. 26 weeks at 900 hours. and 36 weeks at 1250 hours to have completed a payment period. To determine Satisfactory Academic Progress for students who are attending the **Cosmetology (1200 clock hours)** program, the student will be evaluated for both academics and attendance when the student is scheduled to complete the clock hours for that payment period (450 hours. 900hours 1200 hours.). The student must also complete at least 13 weeks at 450 hours. 26 weeks at 900 hours. Students who are attending the **Barbering (1000 clock hours)** program, the student will be evaluated for both academics and attendance when the student is scheduled to complete the clock hours for that payment period (450 hours 900 hours). The student must also complete at least 13 weeks at 450 hours. 26 weeks at 900 hours. Students attending the **Esthetician (680 clock hours)**, program are evaluated for both academics and attendance when the student is scheduled to complete the clock hours for that payment period (340 hours) The student must also complete at least 15 weeks to have completed the payment period. Students attending the **Manicuring/Nail Care(400 Clock hours)** course are evaluated for both academics and attendance when the student is scheduled to complete the clock hours for that payment period (200 hours) The student must also complete at least 6 weeks to have completed the payment period. All evaluations will be completed within 7 school business days following the established evaluation point. Students will be provided with one of the following notices if their Satisfactory Academic Progress evaluation has any impact on their Title IV eligibility, a Financial Aid Warning letter or a letter canceling the student's eligibility. This school does not allow for the status of academic probation. Students receiving VA educational benefits who are enrolled in the Esthetician program will also receive an advisement for VA purposes only, prior to the midpoint of the program at 200 scheduled hours. This advisement has no effect on Title IV funding.

ATTENDANCE POLICY/PROGRESS

Students must attend a minimum of 67% of the cumulative scheduled hours to maintain Satisfactory Academic Progress and complete the course within the maximum time allowed. The maximum time frame is equal to 1.5 times the published length of the program (example Cosmetology would be 1800 scheduled hours). For VA purposes only, students receiving VA educational benefits must attend a minimum of 95% of the cumulative scheduled hours to complete within the originally approved contracted length of time. VA educational benefits will end at the student's originally contracted end date. The student will be responsible for paying all remaining charges in order to complete the program.

Authorized leaves of absence will extend the student's contract period and the maximum time frame by the same number of days taken in the leave of absence. Students who do not complete within the maximum time frame will be dropped from the program. Re-enrollment may be permitted on a cash pay basis according to the policies on reenrollment and accepting students with prior hours. The following is an example of the number of hours that a student has to complete at the end of each payment period within the maximum weeks listed to be considered eligible to receive Title IV Aid payments

Program	Evaluation will be at the following cumulative scheduled hours	Maximum Weeks
Cosmetology	450	19
Cosmetology	900	38
Barbering	450	19
Barbering	900	38
Manicuring / Nail Care	200	9
Esthetician	200 (VA only)	NA
	340	15

ACADEMIC PROGRESS

Students are assigned theory study and practical assignments. Theory is evaluated by written exams given after each unit of study. Practical assignments are evaluated as completed and counted toward program completion only when rated as satisfactory or better. Practical skills are evaluated according to text procedures and performance standards established by the state licensing agency.

Students must maintain a cumulative theory grade average of 70% and pass a final written prior to graduation.

Numerical grades are considered according to the grading scale.

Students receive grades both on written examinations and practical experience. Practical and written assessments are combined with class participation points and a final exam for a combined module score. Modules must be passed at 70% or greater. Students must pass all modules and the associated final exams to graduate. Students may have the opportunity to make up a module within their course timeframe. Students who fail 2 modules will be dismissed from the program. For the purpose of SAP, the written and practical grades will be combined for one academic grade, GPA.

GRADING

Grade	Interpretation	Average	Grade Point
A	Excellent	90%-100%	4.0
B	Good	80%- 89%	3.0
C	Average	70%- 79%	2.0
D	Unsatisfactory	60%- 69%	1.0
F	Failing Below	0-59%	0

PRACTICAL GRADING CRITERIA

Students are assessed on procedures as listed in the course syllabus. Each procedure that is graded is broken down by steps. As the student completes each step the instructor marks a yes if that step was completed correctly or a no if it was incorrect or skipped. Upon completion, the total number of yes answers are divided by the total number of steps in the procedure to give a grade percentage.

DETERMINATION OF PROGRESS

Students meeting requirements at the end of each payment period review point will be considered making Satisfactory Academic Progress until the end of the next scheduled payment period. Payment periods are used as evaluation points

and apply to both Title IV and non-Title IV students. In order for a student to be considered making Satisfactory Academic Progress, the student must meet both cumulative attendance and academic minimum requirements. Students who are meeting academic and attendance requirements will receive a copy of their SAP notice. Students can request a progress report from their Campus Director or Student Services Rep at any time to review their academic and attendance rates.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS, TRANSFER HOURS

With regard to Satisfactory Academic Progress, course incompletes, withdrawals and/or transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. A Leave of Absence and/or failure to return from a Leave of Absence may affect your loan interest rates and/or repayment timeline. Students who reach the required hours for program completion but have not completed all assignments and exams are considered Incomplete graduates. No final paperwork will be released until all assignments and exams are completed. If students have not completed all requirements within 30 days of their last day of attendance, they will be deemed to have withdrawn from the program. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. Please see your Financial Aid representative for more information.

FINANCIAL AID WARNING

Students failing to meet requirements for attendance or academic progress at the end of any payment period will be placed on Financial Aid Warning until the end of the next payment period. During the Financial Warning period, students are considered to be making Satisfactory Academic Progress and students who receive federal funds may continue to be funded. If the student is meeting minimum requirements at the end of the Financial Aid Warning period, the student will be determined as making Satisfactory Academic Progress. If the student fails to meet requirements at the end of the Financial Aid Warning period, the student will be suspended from receiving Title IV funds. A student cannot have successive periods in Financial Aid Warning status. Students receiving VA educational benefits will have their benefits discontinued if the student fails to meet requirements at the end of the Warning period.

REESTABLISHMENT OF STATUS

A student determined NOT to be making Satisfactory Academic Progress may reestablish Satisfactory Progress by:

- 1) Making up missed tests and assignments and increasing cumulative grade point average to 70% , and
- 2) Increasing cumulative attendance to 67% or better.

REENTRY STUDENTS/INTERRUPTIONS

A determination of Satisfactory Academic Progress will be made and documented at the time of withdrawal or beginning of a Leave of Absence. That determination of status will apply to students at the time they return to school. Elapsed time during a Leave of Absence does not affect Satisfactory Academic Progress and will extend the contract period by the same number of days in the Leave. There will be no additional charges to a student for the time off when they are on an approved leave of absence. Students wanting to re-enroll in school after withdrawing must complete a Request to Re-enroll to the school administration. Re-enrollment is at the discretion of the VP of Administration. Decisions by the VP of Administration regarding re-enrollment are final. Please refer to the final paragraph of the Attendance and Tardy policy for additional information on re-enrolling when attendance was at or below 70% or the student was dismissed for poor attendance or lack of contact for 14 days.

APPEAL PROCEDURE

This institution does not allow for appeals to the satisfactory academic progress determination.

TRANSFER STUDENTS

New students that transfer to the Academy with hours from another school will start with 0 hours and be evaluated according to the number of hours the student enrolls for, but at a minimum of the midpoint of their program or academic year, whichever comes first. Their contract length will be adjusted to give them credit for attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted per the school transfer policy for the remaining hours needed to complete the program. SAP evaluation periods are based on actual contracted hours.

DISMISSAL FOR STUDENT ATTENDANCE

If a student has less than 51% attendance at a SAP evaluation, they will be dismissed from the program.

REINSTATEMENT OF FINANCIAL AID

Title IV aid will be reinstated to students who have reestablished Satisfactory Academic Progress.

PROGRAM INCOMPLETES, REPETITIONS, AND NON-CREDIT REMEDIAL COURSES

The school does not recognize course incompletes, repetitions, and non-credit remedial courses. As a result, these events will have no effect on the institution's Satisfactory Academic Progress

GRADUATION REQUIREMENTS

To be eligible for graduation and receive your Diploma of Course Completion, a student must have a grade average of 70% for graduation from any course at Salon Success Academy. Both theory and practical work are considered important. All work must be completed to graduate.

The following are required for graduation from all programs:

1. Completion of state required number of hours
2. Completion of all assignments and tests
3. 70% grade average
4. Payment (or approved payment arrangements) of all tuition, fees, and over-Agreement charges.

Students must make arrangements to apply for state board by calling Yvette Martinez at the corporate office, (909) 982-4200. Yvette will assist with the application. As a gift to our graduates, Salon Success Academy will pay for the student's state board fee via check made out to the California State Board of Barbering and Cosmetology and mailed out with the student's initial application and proof of training document. Students who want to apply for state board online, will not be able to take advantage of the school's graduation gift. They will be required to pay for the exam on their own.

LEAVE OF ABSENCE (LOA)

Under extreme and extenuating circumstances, a student may be permitted to interrupt training with an approved leave of absence.

- A leave of absence will be *considered* and may be granted for the following reasons:
 - Medical or Maternity/Paternity purpose
 - Death of an immediate family member
 - Temporary or short-term caregiver for an immediate family member

- A documented emergency need to leave the state or country
- Military training or short term deployment
- Housing displacement
- Temporary transportation issues
- Documented financial hardship
- All requests for an LOA must be submitted in writing, be signed by the student and must state the reason for the LOA request.
- It is Salon Success Academy's policy for a student to apply in advance for an LOA unless unforeseen circumstances prevent the student from doing so.
- If the student is unable to make a prior request due to unforeseen circumstances, the student must complete the request at a later date and provide supporting documentation. The institution will document the reason for its decision and collect the request from the student at a later date. The beginning date of the approved LOA in this instance will be determined by the institution to be the first date the student was unable to attend school.
- Students needing a leave of absence must follow the institution's policy to request the leave.
- Salon Success Academy must determine, before it grants an LOA, that there is a reasonable expectation that the student will return from the leave.
- Approval of the leave of absence will be in accordance with the institution's policy.
- The institution will not assess the student any additional institutional charges as a result of the leave of absence nor will it count against them when calculating Satisfactory Academic Progress.
- The total number of days for a single leave or combination of leaves cannot exceed 180 calendar days in any 12 month period. A leave of absence for any reason will not be given if the student has or will exceed 180 calendar days in a 12 month period.
- The student's requested return date may be adjusted by the institution to accommodate the student's academic plan. In many cases, the student will need to repeat the module they are in at the time of the leave. For this reason they will be required to return at the beginning of the next module, or if the next module isn't needed by the student their return date will be scheduled for the date the needed module begins. Day class modules begin every 5 weeks and night class modules begin every 10 weeks. If the module needed does not fall within the student's remaining leave of absence days allowed, the student may be required to return earlier than requested. The student will be notified if the return date is adjusted for academic purposes.
- A student who is granted an LOA that meets the criteria is not considered to have withdrawn, and no refund calculation is required at that time.
- The student's agreement end date will be extended by the same number of calendar days as the leave. Changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum must be signed and dated by all parties.
- LOA's will not be granted for less than 14 calendar days and must have documentation of the circumstance which is preventing the student from attending school. If documentation cannot be obtained a written statement may be allowed in some circumstances.
- The LOA will not officially begin until it has been approved. Students may be required to make up theory work that is missed during their LOA depending on the length of time out.
- A student returning from a leave of absence or other official interruption of training must return to school in the same satisfactory progress status as prior to their departure.
- In some cases, a return date may need to be extended due to unforeseen circumstances. A written request must be received by the Campus Director before the student is scheduled to return. If the student has not received approval to extend their return date, they will be required to return on the originally scheduled date. Documentation may be required before approval will be granted.
- The student will be dismissed if the student takes an unapproved LOA or does not return by the expiration of an approved LOA. The student's withdrawal date for the purpose of calculating a refund will be the student's last date of attendance.
- Students must provide documentation as requested by the staff. Failure to provide adequate documentation within the designated timeframe may result in the request being denied.

In general, students are given ample additional time within the scope of their contracted hours to use in the case of illness or other emergency situations. Students should attend all available additional hours to give them a cushion of time to use in the case of illness or emergency and not depend on receiving a leave of absence.

MAKE-UP WORK

Students are required to make up all assignments and work missed as a result of absences. The instructor may assign additional make-up work to be completed for each absence; it will be assigned as outside work. Make-up work will not be authorized to remove an absence or count for clock hours.

CLASS SIZE

Class size is kept at a level that will allow each individual student to have a minimum of 15 square feet of space allocation. In addition, class enrollment is maintained at a maximum level of 30:1 student teacher ratio.

STUDENTS RIGHT TO PRIVACY AND ACCESS TO FILE

Students have the right at all times to consult the Instructor, Supervisor or Manager regarding school or personal problems. Student's rights of privacy or confidentiality will be maintained.

Students and parents or guardian of dependent minors have permission to view their files with an authorized staff member at the convenience of the staff. Any information concerning the student's file will be released upon the student or guardian's written instruction. The school can release student file information without written permission for legal or accreditation purposes. The student will receive a copy of his/her Record of Completion/Withdrawal upon graduation or withdrawal from school. If a student needs another copy at a later time they will send a written request along with a \$35.00 transcript fee to the corporate office: Transcript request forms are available from the school or the Home Office. The \$35 fee is for up to two documents. Additional documents will require another \$35 fee for every two.

The school provides and permits access to student and other school records as required for any accreditation process initiated by the institution, by MSA, or in response to a directive of the commission.

COMPENSATION, HEALTH AND PHYSICAL CONSIDERATIONS

Generally, the professional in the beauty field must be in good physical health for he/she will be working in direct contact with patrons. In most aspects of the beauty culture field there is a great deal of standing, walking, pushing, bending and stretching, and sometimes for long periods of time. A person must consider his/her physical limitations in terms of making a career choice that involves extensive training. We promote the acceptance of students in need of Reasonable Accommodation if these students believe they can fulfill training demands. Compensation is primarily based on commission and salary ranges and gratuities which are all determined by the level of productivity of the professional.

CANCELLATION AND REFUND POLICY

STUDENT'S RIGHT TO CANCEL: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session (**first day of classes**), or the seventh calendar day after enrollment (**seven calendar days from the date when enrollment agreement was signed**), whichever is later.

The notice of cancellation shall be in writing and submitted directly to the Financial Aid Office. A withdrawal may be initiated by the student's written notice or by the institution due to student's academics or conduct, including, but not necessarily limited to student's lack of attendance.

Refund Policy: After the cancellation period, the institution provides a pro rata refund of any amount paid for institutional charges to students who have completed 60 percent or less of the period of attendance. Once more than 60 percent of the enrollment period in the entire course has elapsed (**including absences**), there will be no refund to the student. If the student has received federal student financial aid funds, the student may be entitled to a refund of monies not paid from federal student financial aid program funds. Students who completed less hours than they were scheduled to attend as of their last day of attendance will be billed based on the scheduled hours they could have attended as of that date. If the student attended more than their scheduled hours on their last day of attendance they will be billed based on their actual hours.

A registration fee of \$ 100 is a **non- refundable item**. A kit **issued and used by the student** would not be returnable. Once used by the student it will belong to the student and will represent a liability to them.

If the student cancels the agreement within the cancellation period, the school will refund 100% of the amount paid, less a reasonable deposit or application fee not to exceed \$250. If the student withdraws from school after the cancellation period, the refund policy described above will apply. If the amount the student has paid is more than the amount they owe for the time attended, then a refund will be made within 45 days of the official withdrawal date. See Refunds section below. If the

amount that the student owes is more than the amount they have already paid, then arrangements must be made with the institution to pay that balance. The official withdrawal date is on the student’s notification or the school’s determination.

Determination of withdrawal from school: The withdrawal date shall be the last date of recorded attendance. The student would be determined to have withdrawn from school on the earliest of:

The date you notify the Financial Aid Office of your intent to withdraw. Only the Financial Aid Office would be authorized to accept a notification of your intent to withdraw.
The date the school terminates your enrollment due to academic failure or for violation of its rules and policies stated in the catalog.
The date you fail to attend classes for a two-week period and fail to inform the school that you are not withdrawing.
The date you failed to return as scheduled from an approved leave of absence. The withdrawal date shall be the last date of recorded attendance. The date of the determination of withdrawal will be the scheduled date of return from LOA.

Return of Title IV: Special note to students receiving Unsubsidized/Subsidized/PLUS/Perkins loans, ACG/National SMART/Pell/SEOG grants or other aid, if you withdraw from school prior to the completion of the equivalent to **60 percent** of the workload in any given payment period, a calculation using the percentage completed will be applied to the funds received or that could have been received that will determine the amount of aid the student earned. Unearned funds would be returned to the program in the order stated below by the school and/or the student. Student liability to loan funds will continue to be paid in accordance to the original promissory note terms. Funds owed by the student to the Grant programs are limited to 50% of the gross award per program received. Sample Calculation, completion of 25% of the payment period or enrollment period earns only 25% of the aid disbursed or that could have been disbursed. If applicable, this would be the first calculation to determine the amount of aid that the student would be eligible for from the Title IV Financial Aid programs. A second calculation would take place to determine the amount earned by the institution during the period of enrollment. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including garnishing any income tax refund to which the person is entitled, to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

Post-Withdrawal Disbursement (PWD): If you received (or the school received on your behalf) less assistance than the amount you earned; you will be able to receive those additional funds through a post-withdrawal disbursement (PWD). Grants will be disbursed within 45 days while loans will be offered to you within 30 days. You will have 14 days to respond. All post-withdrawal disbursements are applied to the student account first, before any resulting credit balance is handled.

“The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.”

(b) In addition to the statement required under subdivision (a) of this section, a qualifying institution shall include the following statement in its school catalog:

1. “It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the

Bureau for Private Postsecondary Education, 1747 North Market Blvd., Suite 225, Sacramento, CA 95834, (916) 574-8900 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number."

Note: Authority cited: Sections 94803, 94877 and 94923, Education Code. Reference: Section 94923, 94924 and 94925, Education Code.

Refunds: If any refunds are due based on the Return of Title IV calculation or based on the institutional refund policy calculation, any refunds will be made as soon as possible but not later than 45 days from the determination of withdrawal date in the order stated in section CFR 34 section 668.22. The order of payment of refunds is, 1) Unsubsidized Loans from FFELP or Direct Loan, 2) Subsidized Loans from FFELP or Direct Loan, 3) Perkins Loans, 4) PLUS (Graduate Students) FFELP or Direct Loan, 5) PLUS (Parent) FFELP or Direct Loan, 6) Pell Grant, 7) Academic Competitiveness Grant (ACG), 8) National SMART Grant, 9) Federal SEOG, 10) Other. This order would apply in accordance to the aid programs available at the institution.

After the school allocates its portion of unearned funds, the student must return federal financial aid owed in the same order specified above. The amount of federal financial aid the student is responsible for returning is calculated by

subtracting the amount returned by the school from the total amount of unearned federal financial aid funds to be returned. The student (or parent in the case of funds due to a parent PLUS loan) must return or repay, as appropriate, the calculated amount to any federal financial aid loan program in accordance with the terms of the loan; and any federal financial aid grant program as an overpayment of the grant. Any loan funds that you must return, you (or your parent for a PLUS LOAN) repay in accordance with the terms of the Promissory Note. That is, you make scheduled payments to the holder of the loan over a period of time. If you are responsible for returning grant funds, you do not have to return the full amount. The law provides that you are not required to return 50% of the grant assistance that you receive that is your responsibility to repay. Any amount that you do have to return is a grant overpayment, and you must make arrangements with your school or the Department of Education to return the funds.

Credit Balance: If the R2T4 calculation results in a credit balance of your account, the credit balance will be disbursed as soon as possible but not later than 14 days of the R2T4 calculation in accordance with 34 C.F.R. section 668.164(h).

Course Cancellation: If a course is cancelled subsequent to a student's enrollment and before instruction in the course has begun, the school shall at its option: 1) Provide a full refund of all money paid; or 2) Provide for completion of the course at schools in the neighborhood.

School Closure: If the school closes subsequent to a student's enrollment and before instruction in the course has begun, the school shall at its option: 1) Provide a full refund of all money paid; or 2) Provide for completion of the course at schools in the neighborhood.

FEDERAL CONSUMER INFORMATION

BASIC FINANCIAL AID INFORMATION NEED-BASED AND NON-NEED BASED FEDERAL PROGRAMS

Salon Success Academy, can offer quality education at surprisingly affordable cost. However, many qualified students will need financial assistance in the form of Federal Aid in order to attend any of our schools.

Each location may offer extensive Federal Financial Aid to qualified students who deserve a post-secondary education but do not have adequate financial means to do so.

NEED-BASED AND NON NEED-BASED STATE AND LOCAL AID PROGRAMS, SCHOOL AID PROGRAMS AND OTHER PRIVATE AID PROGRAMS

Salon Success Academy does not currently offer local aid funding.

HOW STUDENTS APPLY FOR FEDERAL STUDENT AID AND HOW ELIGIBILITY IS DETERMINED

Students enrolling in Salon Success Academy, should make application for Federal Financial Aid using the Free Application for Federal Student Aid (FAFSA) on the web:

www.fafsa.ed.gov

A student's financial aid package may include a Federal Pell Grant, Federal Supplemental Education Opportunity Grant, and Federal Stafford Direct Loan. You should use FAFSA4caster to learn more about the financial aid process and get an early estimate of your eligibility for federal student aid.

You can access the FAFSA4caster at: www.fafsa4caster.ed.gov/F4CApp/index/index.jsf

Seniors in High School who are ready to fill out the FAFSA:

High school seniors in the last semester of school must fill out a FAFSA to determine their eligibility for financial aid.

Why should a student consider using the FAFSA4caster?

1. The Site will help students understanding Federal Student financial aid.
2. It will assist students in determining how they can apply for Federal student aid and who qualifies?
3. It allows students to get an early start on the financial aid process by learning the basics.

HOW THE SCHOOL DISTRIBUTES AID AMONG STUDENTS

Most Federal Financial Aid is awarded on the basis of financial need. Need is the difference between your cost of education (educational expenses such as tuition, room board, books, supplies and other expenses) and the amount you and your family are expected to contribute toward your education.

A standard formula is used for all applicants to determine this amount, which is called the expected family contribution (EFC). If there is anything left over after subtracting the expected family contribution from your cost of education you are then considered to have financial need.

THE RIGHTS AND RESPONSIBILITIES OF A STUDENT RECEIVING FEDERAL STUDENT AID

The student has the right to ask the school:

- The name of its accrediting and its licensing organizations.
- About its programs; its instructional, laboratory, its physical facilities, and its faculty.
- What the cost of attending is and the institutions policies concerning refunds and Return to Title IV (R2T4) to students who drop out.
- What financial assistance is available at Salon Success Academy; including information on all federal, state, local, private and institutional financial aid programs.
- What the procedures and deadlines are for submitting an application for each available financial aid program.
- How it determines a student's eligibility and need for financial aid.
- How much of your financial need, as determined by the school, has been met.
- To explain each type and amount of assistance in your financial aid package.
- What the interest rate is on any student loan you have, the total amount you must repay, when a student must start repaying.

- What is deferment of repayment or forbearance for certain defined periods. How do you know if you qualify and how do you request deferment or forbearance.
- Provide written information on student's loan obligations and information on your rights and responsibilities as a borrower.
- To reconsider your aid package, if you believe a mistake has been made, or if your enrollment or financial circumstances have changed.
- How the school determines when and whether you are making satisfactory progress (SAP) and what happens if you fail to maintain SAP. How failing to maintain SAP affects your Title IV eligibility.
- What special facilities and services are available to students with disabilities and how to request Reasonable Accommodation.

It is the student's responsibility to:

- Review and consider all the information about the school's program before enrolling.
- Pay special attention to the application process for Federal student financial aid, complete it accurately, and submit it on time to the right place. Errors on the FAFSA can delay or prevent your receiving aid timely.
- Know and comply with all deadlines for applying and reapplying for aid.
- Provide all enrollment and verification documentations, corrections, and/or new information requested by either the financial aid officer or the agency to which you submitted the application.
- Notify the school of any information that has changed since you applied.
- Read, understand, and keep copies of all forms you were asked to sign.
- Ensuring you are aware that you must start making monthly repayment on your student loan after your grace period ends, unless you have a deferment or forbearance. When you sign your master promissory note (MPN), you are agreeing to repay your loan.
- Attend an exit interview at the time you leave the school to determine the net balance of your account with the school as well as the net balance of any student loan.
- Notify the school of a change in your name, address, phone number, or attendance status (full/part-time student). If you have student loans, you must notify your lender of these changes.
- Understand your school's refund policy.
- Understand and comply with the enrollment status, financial charges, financial terms, time allowed to complete, refund policy and termination procedures as specified in the enrollment contract you will be asked to sign.
- Understand that you may be responsible and have liability for portions of Title IV funds returned by the institution on your behalf.
- Understand that there could be liabilities when errors are made as a result of inconsistent information provided by the student that results in funds being awarded that a student was not eligible for that were advanced to you or credited to your school account.

HOW AND WHEN WILL FINANCIAL AID BE DISBURSED

Financial Aid and Title IV funds will be disbursed at 0 hrs, 450 hours, 900 hours, and 1250 hours. Students must meet these clock hour requirements in order to be eligible for Title IV funding disbursement. Each student will be evaluated on an individual basis to determine eligibility based on total cumulative hours and weeks in each payment period.

THE TERMS AND CONDITIONS OF ANY EMPLOYMENT THAT IS PART OF THE FINANCIAL AID PACKAGE

Salon Success Academy's does not employ any students who are currently receiving financial aid and are attending the school programs.

THE TERMS OF THE SCHEDULE FOR AND THE NECESSITY OF LOAN REPAYMENT AND REQUIRED LOAN EXIT COUNSELING

The formula for determining the amount of loans is:

(Cost of Attendance) – Minus (EFC) – Minus (estimated financial assistance)
= (Need for subsidized Stafford)

An unsubsidized loan can replace the EFC.

APPLICATION FOR LOAN:

To receive a Stafford Direct Loan, a student must complete a Free Application for Federal Student Aid and a Master Promissory Note. (MPN)

In the traditional paper process, the MPN might be completed at the school by the student and submitted to the lender or school. In other cases the school certifies the loan based on the student's acceptance of the aid package, and the lender or the school's servicer sends the MPN to the student for signature. Regardless of how this is done, the Borrowers' Rights and Responsibilities Statement must be provided to the borrower with the MPN.

Required borrower information on the MPN:

The MPN contains identifying information including name, permanent address, a date of birth, social security number, driver's license number, and two personal non-student adult references with U.S. addresses. The borrower must read, sign and date the MPN.

HOW MUCH SHOULD I BORROW

You may borrow only as much as you need to help cover your school expenses (direct and in-direct).

HOW MUCH INTEREST WILL I PAY

The interest rate on Direct subsidized and Unsubsidized Loans is a variable rate that is adjusted each year on July 1. As a result, your interest rate may change annually, but it will never exceed 8.25 percent. You will be notified annually of the actual interest rate for each loan that you receive.

Interest is not charged on your subsidized loan while you are enrolled at least half-time, during your grace period and during deferment periods. Interest is charged on your Direct Subsidized Loan during all other periods, starting on the day after your grace period ends, (including forbearance periods). Interest is charged on your unsubsidized loan during all periods, starting on the day it is disbursed.

*If a student obtains a loan, the student will have to repay the full amount of the loan plus interest, less the amount of any refund and if student receives federal student financial aid funds the student is entitled to a refund of the money not paid from federal financial aid funds.

Adverse Credit History of Borrowers of Plus (Loan)

The parent may not have adverse credit to borrow a PLUS. This is defined in the regulations as the applicant being 90 days or more delinquent on a debt or having been subject in the last five years to a default determination, bankruptcy discharge, foreclosure, repossession, tax lien, wage garnishment or write off of an FSA debt. The absence of any credit history is not considered adverse credit. Lenders may establish more restrictive credit standards for determining adverse credit.

If the parent borrower has an adverse credit history the applicant has the option of receiving a PLUS using a creditworthy endorser. If an endorser is used a separate Endorser Addendum is required for each PLUS loan. If an endorser is involved a new MPN must be used. The endorser is only liable for the specific loan or loans he/she has agreed to endorse.

School Certifies/Originates the Loan:

The school's primary responsibilities in the loan application process are to ensure the completeness and accuracy of the MPN based on information it has available.

Checklist for loan certification:

For all Federal Direct Loans programs applications: the school must:

- Confirm that the student and parent meet the definition of eligible borrower. This would include the student's grade level, loan period and the amounts of the disbursements as well as the student's enrollment status and anticipated completion/graduation date. The school must confirm the student's dependency

status for PLUS. Check on NSLDS to check the student's financial aid history, including loan limits. It must document the student's COA, EFC and estimated Financial Aid in the student's file. It must be available to the lender, guarantor, or the Department.

- Determine the student's enrollment status and SAP
- Review NSLDS information on ISIR to ensure that the student (or both the student and parent in the case of PLUS loan) is not in default on any FSA loan and does not owe a refund on any FSA grant or scholarship and will not exceed the annual or aggregate loan limits applicable to borrowers.
- Ensure the amount of the loan in combination with other aid will not exceed the student's financial need or the annual or aggregate loan limit.

For Federal Direct Stafford Loan the school must also:

- Determine the student's Pell grant eligibility (for a sub Stafford the need analysis must use official EFC calculated by the Department to determine the student's financial need), and if eligible include the grant in the student's aid package.
- For an unsubsidized Stafford loan, first determine the student's eligibility for a Stafford loan
- Prorate Stafford loans for programs of study that are shorter than an academic year and for programs in which the remaining period of study is less than an academic year in length
- Ensure that the loan disbursement dates meet the cash management and disbursement requirements for Stafford loans.

A separate PLUS MPN is required for each dependent student or if both parents want to borrow individually on behalf of the student.

Additional Unsubsidized Direct Stafford:

Dependent students whose parents are unable to borrow PLUS loans due to adverse credit or other exceptional circumstances may receive additional unsubsidized amounts at the same level as independent undergrad students. The amounts are limited

Guidelines for determining student's eligibility:

- Parent's unwillingness to borrow a PLUS does not make the dependent student eligible
- The aid administrators belief that a parent should not borrow a PLUS does not make the student eligible
- Only one parent must apply for a PLUS and be denied based on adverse credit history. However if both parents apply independently and one is approved and one denied, the student is not eligible for increased loan amounts.
- The parents denied of PLUS based on adverse credit in one year does not support the dependent's eligibility in subsequent years.
- The dependent student may become eligible at any time during an academic year if the parent has been approved and later denied.

The dependent student may be eligible for increased unsubsidized loan amounts if you determine and document that other exceptional circumstances exist that will prevent a student from borrowing:

- The parent is incarcerated and therefore ineligible
- Parent's whereabouts are unknown
- Parents income limited to Public Assistance or disability and you have evidence that the lender that makes loans to students and parents at the school has denied a PLUS loan or will not make a PLUS loan to a parent under its lending policy due to the parent's existing debt burden, income to debt ratio, likely inability to repay or other credit standards.

Scheduling Disbursements:

Disbursements will be established with the lender. This is the date that the funds are disbursed to the student. In keeping with the three day turnaround time for payment of FSA funds to the student. For Stafford Direct Loans the

school may request the Stafford Direct funds may be provided on the thirty first day of classes for the first payment period for a first year, first time Stafford Direct Loan borrower

Exit Counseling

All students who are graduating or withdrawing from school must receive exit counseling

The school will ensure that students receive exit counseling before they leave school. Counseling may be provided in person (individually or in groups), or using audiovisual materials. As with entrance counseling, exit counseling is offered on the Web by guarantors and lenders. Student borrowers should be advised to complete online exit counseling or come to the counseling session at the school shortly before graduating, or ceasing at least half-time enrollment. Student Financial Planners at Salon Success Academy are reasonably available to answer questions from student borrowers. One of the borrowers' obligations is to participate in an exit counseling session. Some of the same material presented at the entrance counseling session will again be presented during exit counseling. The emphasis shifts to more specific information about loan repayment and debt-management strategies. The following information will be provided as part of exit counseling:

1. Exit counseling emphasizes the seriousness and importance of the repayment obligation.
2. The lender sends payment coupons or billing statements as a convenience for the borrowers. Not receiving them does not relieve the borrower of his or her obligation to make payments.
3. Many lenders encourage borrowers to set up electronic debiting of bank accounts to repay their loans.

The regulations require that exit counseling describes the likely consequences of default, including adverse credit reports, and litigation. Students will be informed of the charges that might be imposed for delinquency or default, such as lenders or guarantor's collection expenses (including attorney's fees). Defaulters often find that repayment schedules for loans that have been accelerated are more stringent than the original repayment schedule. A defaulter is no longer eligible for any deferment provisions, even if he or she would otherwise qualify. The defaulter's federal and state tax refunds may be seized and wages garnished, and the borrower loses eligibility or any further funding from the FSA programs.

The student will receive an explanation of the use of the Master Promissory Note. The student will be advised to read carefully the MPN and the Borrowers Rights and responsibilities statement again.

Emphasis will be given that repayment is required, regardless of educational outcome or subsequent employability. The student borrower will be informed that they are obligated to repay the full loan even if they did not finish the program, cannot obtain a job after graduation, or is dissatisfied with the school's educational program or other services.

Sample monthly repayment accounts will be provided. The borrower will be given an estimate of the average anticipated monthly payments based on their indebtedness (or the average indebtedness of Stafford borrowers at our school or in the same program). The borrower will receive a sample loan repayment schedule based on their total indebtedness. A loan repayment schedule will usually provide more information than just the expected monthly payment. For instance, it would show the varying monthly amounts expected in a graduated repayment plan. The lending organization is not required to send the repayment schedule to the student until the grace period.

Repayment options will be reviewed with the student. The counseling will review the payment options, such as the standard, extended, graduated and income-contingent income sensitive plans. The option of consolidating loans will also be discussed. Consolidation loans are available through the Federal Direct Student Loan Program.

Debt Management Strategies will be discussed. The counselor will stress the importance of developing a realistic budget, based on the student's minimum salary requirements. It is helpful to have the student's budget reflect the loan payment as a fixed cost, like rent and utilities

Forbearance, deferment, and cancellation options will be discussed including:

1. If a student cannot make scheduled payments and does not qualify for a deferment, the lender may allow the student to temporarily make smaller payments or temporarily stop making payments. Interest continues to be charged during forbearance. Some reasons why forbearance may be granted are financial hardship and/or illness. The lender must grant forbearance if the student has a monthly debt burden for Title IV loans that collectively equals or exceeds 20% of their total monthly gross income (for up to three years) There are several other reasons listed in the Borrowers Rights and Responsibilities.

2. Deferments mean that the student does not have to make payments in certain circumstances. If the student is attending school at least half-time, or if the student is unemployed, if the student is experiencing economic hardship as determined by federal law for up to three years. (See student's rights and responsibilities).

20. Working Mother Deferment

This deferment type may postpone payments for mothers who recently re-entered the workforce.

The student will be informed of the Availability of Loan Information on NSLDS and the availability of the FSA Ombudsman's Office. The borrower's loan history can be reviewed on NSLDS (PIN required for access). Students without Internet access can identify their loan holder by calling 1-800- 4-fed-aid. The borrower will be made aware that the information on the NSLDS site is updated by lenders and guarantors and may not be as current as the latest information from the loan holder. The Ombudsman's office is a resource for borrowers when other approaches to resolving student loan problems have failed. Normally the bank and/or guarantor can help with any problem

Review the Student's Rights and Responsibilities: The student received this with the MPN at the beginning of the loan process and it should be reviewed again at the exit interview.

The importance of keeping loan records will be reinforced with the student. The borrower should keep the loan repayment schedule provided by the lender when repayment begins as well as records of loan payments—including cancelled checks, money order receipts. The student should keep copies of any requests for deferment or forbearance, or any other correspondence with the loan holder.

The School will collect and update personal and contact information: During exit counseling, the aid office will obtain the borrower's expected permanent address after leaving school, the address of the borrower's next of kin, and the name and address of the borrower's expected employer (if known). A school will correct its records to reflect any changes in the borrower's name, address, Social Security Number, or references and will obtain the borrower's current driver's license number and state of issue. Within 60 days after the exit interview, the financial aid office will provide this information to the loan vendor.

The student will also be provided with the current name and address of the borrower's lender (or Federal Vendor), based on the latest information. An explanation will be given of how to complete deferment forms and how to prepare correspondence to the lender or vendor will also be included. Emphasis will be made that the borrower should always keep copies of all correspondence from and to them about their loans. It will be stressed that a borrower must make payments on their loans even if the borrower does not receive a payment booklet or a billing notice.

If the student borrower drops out without notifying the school, we will confirm that the student has either completed online counseling, or exit counseling material will be mailed to the borrower at their last known address. The material must be mailed within 30 days of learning that a borrower has withdrawn or failed to participate in an exit counseling session. When we mail these exit materials, we are not required to use certified mail with a return receipt requested, but we must document in the student's file that the materials were sent. If the student fails to return the Exit Counseling material including the contact information, we are not required to take any further action.

Grace Period: Once the student withdraws, leaves school or graduates on the subsidized loans there is a grace period of six months. During this time no interest accrues on the subsidized loan. On an unsubsidized loan the interest is paid during the loan period but the principal is not paid until after the grace period. The borrower has a choice of paying the interest or having it capitalized – adding the accrued interest to the original loan principal. PLUS loan repayment

begins sixty days after the second disbursement and interest begins at that point. Repayment on all loans is up to ten years with a minimum repayment of \$50.00 per month.

General Information about the school

Explanation of Return of Title IV Funds in the event of withdrawal or termination:

Only the Title IV programs are to be included in this calculation

You must keep in mind that when you apply for financial aid, you sign a statement that you will use the funds for educational purposes only. Therefore, if you withdraw before completing your program, a portion of the funds you received may have to be returned. The school will calculate the amount of tuition it must return to the Federal funds according to the policies listed below:

The Return of Title IV Funds is NOT a Refund Policy. Instead, the Federal regulations (beginning with October 7, 2000) require the use of a Return to Title IV calculation to determine the amount of Title IV funds a student has earned as of the date he or she ceases attendance. Any student receiving Title IV funds will be subject to these regulations.

The law specifies how your school must determine the amount of Title IV program assistance that you earn if you withdraw from school. The Title IV programs that are covered by this law are: Federal Pell Grants, Federal Direct

Stafford Loans, PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOGs), Federal Perkins Loans and in some cases, certain state grant aid (LEAP/SLEAP), GEAR UP grants, and SSS grants to students.

When you withdraw during your payment period or period of enrollment (your school can define these for you and tell you which one applies) the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or your school or parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by the school and/or you.

The amount of assistance that you have earned is determined on a pro rata basis. For example, if you completed 30% of your payment period or period of enrollment, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the payment period or period of enrollment, you earn all the assistance that you were scheduled to receive for that period.

If you did not receive all of the funds that you earned, you may be due a post-withdrawal disbursement. If the post-withdrawal disbursement includes loan funds, you may choose to decline the loan funds so that you don't incur additional debt. Your school may automatically use all or a portion of your post-withdrawal disbursement (including loan funds, if you accept them) for tuition, fees, and room and board charges (as contracted with the school). For all other school charges, the school needs your permission to use the post-withdrawal disbursement. If you do not give your permission (which some schools ask for when you enroll), you will be offered the funds directly.

However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

If a student earned more aid than was disbursed to him/her, the institution would owe the student a post-withdrawal disbursement. From the date the institution determined the student withdrew, grant funds must be paid within 45 days, and loan funds must be paid within 180 days.

Return of Unearned Aid is allocated in the following order:

1. Unsubsidized Federal Direct Stafford Loan
2. Subsidized Federal Direct Stafford Loan
3. Federal Perkins Loan
4. Federal Direct Parent (Plus) Loan
5. Federal Pell Grant
6. Federal Supplemental Opportunity Grant
7. Other Title IV Assistance

There are some Title IV funds that you were scheduled to receive that you cannot *earn* once you withdraw because of other eligibility requirements. For example, if you are a first-time, first-year undergraduate student and you have not completed the first 30 days of your program before you withdraw, you will not earn any Direct loan funds that you would have received had you remained enrolled past the 30th day.

Title IV Future Professionals reentering within 180 days of withdrawal date will resume at the same status as prior to withdrawal.

If you receive (or your school or parents receive on your behalf) excess Title IV program funds that must be returned, your school must return a portion of the excess equal to the lesser of:

1. Your institutional charges multiplied by the unearned percentage of your funds, or
2. The entire amount of excess funds.

The school must return this amount even if it did not keep this amount of your Title IV program funds.

If your school is not required to return all of the excess funds, you must return the remaining amount. Any loan funds that you must return, you (or your parent for a PLUS Loan) repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time.

Any amount of unearned grant funds that you must return is called an *overpayment*. The amount of a grant overpayment that you must repay is half of the received amount. You must make arrangements with your school or the Department of Education to return the unearned grant funds.

The requirements for Title IV program funds when you withdraw are separate from any refund policy that your school may have. Therefore, you may still owe funds to the school to cover unpaid institutional charges. Your school may also

charge you for any Title IV program funds that the school was required to return. If you don't already know what your school's refund policy is, you can ask your school for a copy. Your school can also provide you with the requirements and procedures for officially withdrawing from school.

If you have questions about your Title IV program funds, you can call the Federal Student Aid Information Center at 1-800-4-FEDAID (1-800-433-3243). TTY users may call 1-800-730-8913. Information is also available on *Student Aid on the Web* at www.studentaid.ed.gov.

The Return of Title IV Funds is NOT a Refund Policy. Instead, the Federal regulations (beginning with October 7, 2000) require the use of a Return to Title IV calculation to determine the amount of Title IV funds a student has earned as of the date he or she ceases attendance. Any student receiving Title IV funds will be subject to these regulations.

NOTE: If the initial amount of the overpayment owed by the student is \$25.00 or less, the student repayment requirement is forgiven.

The availability of a GED program, if the school admits students who do not have a high school diploma or equivalent
Salon Success Academy does not offer a GED program as part of the Institution.

3. Request assistance, if desired, from school administration in reporting the crime to local law enforcement agencies.
4. Request a change in the academic situation if necessary.

Information for Crime Victim about disciplinary hearings: Institution must, upon written request disclose to the alleged victim of any crime of violence, or a no forcible sex offense, the results of any disciplinary proceeding conducted by the institution against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of the crime or offense, the information shall be provided, upon request to the next of kin of the alleged victim. This provision applies to any disciplinary proceeding conducted by the institution on or after August 14, 2009 (HEOA amendment).

Contacts information for student financial assistance and general institutional issues for attending a study abroad program that is approved for credit by the home school;

Salon Success Academy does not currently have any agreements with any institutions overseas for training of students where credit received would be used to meet the graduation requirements of Salon Success Academy.

Information regarding the availability of FSA program funds for study abroad programs.

If you are currently receiving financial aid from Salon Success Academy, and the school has a program for study abroad you can use it for the study abroad program. Talk to your financial aid officer about what can and can't be applied to a program of study abroad.

The Higher Education Act (HEA) of 1992 mandated that a student can receive financial aid for study abroad if the student is enrolled in a program approved by the home institution. Moreover, the student would be eligible to receive "grants, loans, or work assistance without regard to whether the study abroad program is required as a part of the student's degree."

DRUG AND ALCOHOL ABUSE INFORMATION

Following you will find the requirements of the Drug-Free Schools and Communities Act Amendments of 1989, Public Law 101-226 and what Salon Success Academy requires of Staff and Students. Salon Success Academy provides to each student who enrolls an individual copy of this policy describing in more detail what drug and alcohol abuse is and how to recognize it.

Staff and Students are prohibited from the unlawful manufacture, distribution, possession, or use of illicit drugs or alcohol. This prohibition applies while on the property of the school or participating in any institutional activity. Students or employees who violate this policy will be subject to disciplinary action up to and including expulsion or termination from school or employment.

Additionally, there are numerous local, state and federal laws, which can be used to punish violators. Penalties can range from suspension revocation and/or denial of a driver's license, to 20-50 years imprisonment at hard labor without benefit of parole. Property may also be seized. Community service may also be mandated. Students could lose eligibility for financial aid, could be denied other federal benefits, such as Social Security, retirement, Welfare, health care benefits, disability and Veterans benefits. Public housing residents could also be evicted. Finally, a record of a felony or conviction in a drug-related crime may prevent a person from entering certain career.

Drugs can be highly addictive and injurious to the body as well as one's self. People tend to lose their senses of responsibility and co-ordination.

There are drug or alcohol counseling, treatment and rehabilitation facilities in our area where advice and treatment are available. The telephone numbers of these facilities may be found in your local telephone book or yellow pages under Drug Abuse and Addiction – Information and Treatment. If other help is required for rape counseling, or domestic violence contact Charter Medical Group 1710 Barton Road, Redlands, Calif. 1-800 622-9299.

FERPA

The Family Educational Rights and Privacy Act (FERPA) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of

Education. FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level.

Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records.
- Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records, which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.

Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions:

- School officials with legitimate educational interest;
- Other schools to which a student is transferring;
- Specified officials for audit or evaluation purposes;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for or on behalf of the school;
- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies; and
- State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

COPYRIGHT INFRINGEMENT

In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or "statutory" damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For "willful" infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys' fees. RATIONALE FOR 1200 HOUR COSMETOLOGY COURSE

The Cosmetology course at Salon Success Academy is a 1200 clock hour program. This is 200 hours more than the state required minimum of 1000 hours. In January of 2022 the Cosmetology program hours were reduced by the state from 1600 to a minimum of 1000 hours. For this transition, each school was allowed to select the number of program hours for their course. We surveyed our Cosmetology student body to find out what was most important to them in the course. They overwhelmingly chose a 1200 hour program over a paired down 1000 hour version that would leave little time for actual salon floor experience to effectively apply the knowledge they have learned in the classroom to real clients under the supervision of a licensed professional. The program you will receive at Salon Success Academy is balanced and comprehensive in each area within the scope of the license

Students are assessed on particular procedures for their course as listed in the course syllabus. Each procedure that is graded is broken down by steps. As the student completes each step the instructor marks a yes if that step was completed correctly or a no if it was incorrect or skipped. Upon completion, the total number of yes answers are divided by the total number of steps in the procedure to give a grade percentage.
