

Cosmetology Program

For more than 60 years, Salon Success Academy has prepared future cosmetologists for real careers in the beauty industry through hands-on training, industry-focused curriculum, and personalized instructor support. Our Cosmetology Program blends a combination of in-depth classroom instruction, hands-on training, and one-on-one guidance from our instructors.

Here's just some of what you'll learn in our Cosmetology program:

- Hairstyling and scalp care
- Professional product knowledge
- Waxing & hair removal techniques
- Fundamental haircutting techniques
- Shear and clipper cutting for all hair types
- Client consultation & service planning
- Resume building & personal branding
- Salon scouting & interview skills
- Haircoloring and chemical texture
- Facials & skin treatments
- Nail care and enhancements
- Retail & client retention strategies
- Social media professionalism

You'll gain experience working in a professional-style spa and salon setting while serving clients on the clinic floor. When you complete the Cosmetology Program, you'll be prepared to take the State Board examination and begin your career as a licensed cosmetologist.

Your Cosmetology License Can Lead To Careers In:

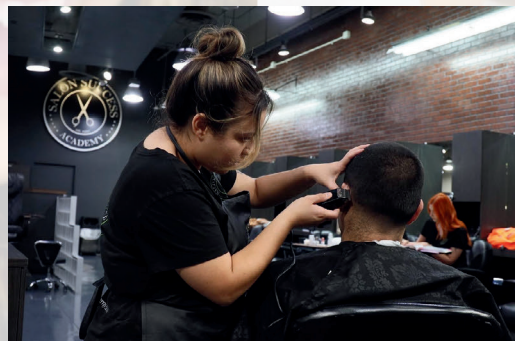

- Salon and Spa Stylist
- Salon Owner/Manager
- Product sales & education
- Editorial Stylist
- Platform Artist/Educator
- Sales Consultant for Beauty Brands
- Beauty retail & brand partnerships
- Entrepreneurship & suite ownership

At Salon Success Academy, you don't have to put your life on hold while you train for a new career as a licensed cosmetologist. We offer multiple schedules with both day and evening courses. Financial aid is available to students who qualify, as well as payment plans. Call today to speak with an admissions specialist and find out what types of financial aid are available to you.

*Not all programs and schedules are available at all campuses

Cosmetology Program Kit

Your cosmetology kit is equipped with professional tools essential for your success as a student at Salon Success Academy. This kit provides everything you need for both your education and your future career as a cosmetology professional. Along with your textbook materials, you will receive high-quality tools to perform color services, haircuts, and styling! Additionally, your kit includes resources for training in advanced cutting, coloring, and styling methodologies, as well as the highly regarded Milady Standard Cosmetology education.

Today's beauty industry demands versatility. Cosmetology professionals are expected to understand hair coloring, styling, waxing, skincare, nail care, haircutting, and comprehensive clipper cutting. In addition to the technical skills learned in the classroom, Salon Success Academy students receive a Cosmetology Kit that includes a Berodin Wax Kit, shears, clippers, ergonomic brushes, a nail kit, mannequins, and other select items.*

*Kit contents are subject to change based on educational needs

For more than 60 years, Salon Success Academy has prepared future estheticians for real careers in the beauty industry through hands-on training, industry-focused curriculum, and personalized instructor support. Our Esthetician Program blends a combination of in-depth classroom instruction, hands-on training, and one-on-one guidance from our instructors.

Here's just some of what you'll learn in our Esthetician program:

- Facials, exfoliation & advanced skin treatments
- Makeup artistry & beauty application
- Waxing & hair removal techniques
- Professional skin care product knowledge
- Aromatherapy & therapeutic facial massage
- Client consultation & treatment planning
- Resume building & personal branding
- State Board preparation
- Beauty Essentials certification
- Brow & lash enhancements
- Advanced treatment exposure
- Retail & client retention strategies
- Social media professionalism

You'll gain experience working in a professional-style spa and salon setting while serving clients on the clinic floor. When you complete the Esthetician program, you'll be prepared to take the State Board examination and begin your career as a licensed esthetician.

Your Esthetics License Can Lead To Careers In:

- Spa & wellness services
- Makeup artistry
- Medical spa support roles
- Product sales & education
- Brow & lash services
- Beauty retail & brand partnerships
- Entrepreneurship & suite ownership

At Salon Success Academy, you don't have to put your life on hold while you train for a new career as a licensed esthetician. We offer multiple schedules with both day and evening courses. Financial aid is available to students who qualify, as well as payment plans. Call today to speak with an admissions specialist and find out what types of financial aid are available to you.

MUD Beauty Essentials

Salon Success Academy's Esthetician Program includes the MUD Beauty Essentials Certification. This course is designed as an introduction to beauty makeup, with an emphasis on the techniques required in today's multifaceted industry. Regardless of the area students choose to pursue, mastery of beauty makeup is essential for success.

Beauty Essentials Course Content:

- Included as part of Salon Success Academy's Esthetician Program
- The course is embedded in the curriculum and included in the program's tuition rate.
- No additional tuition is required.
- Course length: 84 hours
- Color matching & corrective makeup
- Highlighting & contour techniques
- Eye & lip artistry
- Professional makeup application
- Client consultation

Today's beauty industry demands versatility. Beauty professionals are expected to understand makeup artistry, skincare, client communication, branding, and professional presentation. Along with the Beauty Essentials Kit, Salon Success Academy students receive an Esthetician Kit, including a Berodin Wax Kit, Bio Therapeutic facial tools, and additional select products*.

*Kit contents are subject to change based on educational needs

Manicuring/Nail Care Program

For more than 60 years, Salon Success Academy has prepared future manicurists for rewarding careers in the beauty industry through hands-on training, industry-focused curriculum, and personalized instructor support. Our Manicuring Program combines in-depth classroom instruction, hands-on training, and one-on-one guidance from our instructors.

Here's just some of what you'll learn in our Manicuring program:

- Natural nail care and maintenance
- Manicuring and pedicuring
- Artificial nail application
- Professional nail care product knowledge
- Nail wraps, repairs and rebalancing
- Client consultation & treatment planning
- Resume building & personal branding
- State Board preparation
- Retail & client retention strategies
- Social media professionalism

You'll get the experience of working in a professional-style salon setting when you work with clients on the clinic floor. When you complete the Manicuring/Nail Care Program, you will be fully prepared to pass your State Board exam and start your career as a licensed manicurist/nail care specialist.

Your Manicuring License Can Lead To Careers In:

- Nail service provider in a nail salon or spa
- Nail Salon Manager or Owner
- Nail Content Creator/Influencer
- Product sales & education
- Beauty retail & brand partnerships
- Entrepreneurship & suite ownership

At Salon Success Academy, you don't have to put your life on hold while training for a new career as a manicurist or nail care professional. We offer multiple day and evening schedules. Call today to speak with an admissions specialist!
